

PROTECTIVE SHOOTING PAD - LIMBSAVER PROTECTIVE SHOOTING PAD, BLACK

[Shooting Accessories](#) > [Range Gear](#) > [Recoil Sholder Pads](#)

Reduces Felt Recoil, Improves Accuracy, Fits Right & Left-Hand Shooters

Strap on the pad and immediately reduce felt recoil and shooting discomfort for increased accuracy. Lightweight, protective pad is worn on the shooting shoulder and is fully reversible; can be worn by either right- or left-hand shooters. Incorporates the exclusive NAVCOM III rubber material engineered to disperse recoil across the variable sized surface nodes. The shooting pad is enclosed in a durable, nylon, one-size fits all harness/pouch with easily adjustable cotton straps, elastic expansion band and quick-release nylon buckle for all-day wearing comfort. Pad is easily removable from the harness for washing.

PROTECTIVE SHOOTING PAD SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the PROTECTIVE SHOOTING PAD by LIMBSAVER. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the shooting pad.

General Safety Guidelines

- Ensure the shooting pad is used only for its intended purpose.
- Always inspect the product before each use for signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any discomfort while using the pad, discontinue use immediately.
- Follow all local laws and regulations regarding shooting and firearm safety.

Specific Safety Precautions for Use

- **Recoil Management:** The shooting pad is designed to reduce felt recoil. Ensure it is properly positioned on your shooting shoulder for maximum effectiveness.
- **Adjustable Straps:** Make sure the cotton straps are securely fastened but not overly tight to avoid discomfort.
- **Wearing the Pad:** The pad is reversible. Choose the side that best fits your shooting style (right or lefthand).
- **Material Sensitivity:** If you have allergies or sensitivities to rubber or nylon, consult with a medical professional before use.
- **Environmental Considerations:** Avoid using the pad in wet or excessively humid conditions to maintain its integrity.

Instructions for Installation and Usage

1. Fitting the Pad:

- Open the harness/pouch and place the shooting pad on your shoulder.
- Ensure the pad covers the area of your shoulder that will absorb recoil.

2. Securing the Pad:

- Adjust the cotton straps to fit comfortably around your shoulder.
- Use the elastic expansion band for additional support if needed.
- Fasten the quickrelease nylon buckle securely.

3. Using the Pad:

- Once fitted, you can begin using the shooting pad while practicing or shooting.
- Regularly check the fit during use to ensure it remains secure and comfortable.

4. Removing the Pad:

- To remove, unfasten the quickrelease buckle and loosen the straps.
- Carefully take the pad off your shoulder.

5. Cleaning the Pad:

- The pad is removable for washing. Follow the care instructions provided with the product for proper cleaning methods.

Disposal Instructions

- Dispose of the shooting pad responsibly at the end of its life cycle.
- Check local regulations for guidelines on disposing of nylon and rubber materials.
- Do not burn the product as it may release harmful substances.

Contact Information for Further Support

For any inquiries or concerns regarding the PROTECTIVE SHOOTING PAD, please contact the manufacturer or check their official website for support resources.

Thank you for your attention to these safety instructions. We hope you enjoy using your PROTECTIVE SHOOTING PAD safely and effectively.
