

# GHOST RING TRITIUM NIGHT SIGHT SETS for GLOCK® - AMERIGLO GREEN/GREEN GHOST RING SET FOR GLOCK® LARGE FRAME

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Fixed, low-profile combat sights are drop-in replacements for factory sights and feature streamlined contours with rounded corners to help prevent snags and hanging-ups. Precision-machined steel sight bodies sit low in the slide to resist catching on clothing during the draw, yet stand up to the abuse of hard operational and competition use. Night sights have two self-illuminating, Trijicon® Tritium inserts in the rear sight and one in the front blade to provide an easy-to-see, 3-dot sight picture in low-light conditions. Helps you acquire the sights and get on target quickly under stress. Works like a simple, 3-white-dot system for enhanced visibility in daylight. Nothing to turn on: as the ambient light gets lower, the Trijicon® Tritium dots start glowing. Ghost Ring rear aperture sight uses the eye's natural ability to center objects in a circle to aid in fast target acquisition. Tritium dots on each side of the ghost ring are smaller than the front sight dot to eliminate confusion during sight alignment. Green front sight insert; available with Green or Yellow rear dots.

## Attributes

- Name: [AMERIGLO GREEN/GREEN GHOST RING SET FOR GLOCK® LARGE FRAME](#)
- Manufacturer: [AMERIGLO](#)
- Product no.: 100004205

# Safety Instruction Guide for GHOST RING TRITIUM NIGHT SIGHT SETS for GLOCK®

## Introduction

Thank you for purchasing the GHOST RING TRITIUM NIGHT SIGHT SETS for GLOCK®. This product is designed to enhance your shooting experience with improved visibility in various lighting conditions. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this manual.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the night sights.
- Keep the product out of reach of children and unauthorized users.
- Inspect the sights regularly for any damage or wear. If you notice any issues, discontinue use immediately.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the night sights only with compatible GLOCK® models: 21, 29, 30, 36, 20, 31, and 32.
- Avoid using the sights in environments where they may get damaged, such as extreme temperatures or exposure to harsh chemicals.
- Ensure that the sights are properly aligned before use to avoid misalignment during shooting.
- Do not attempt to modify or disassemble the night sights, as this may compromise their safety and functionality.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your GLOCK® is unloaded and pointed in a safe direction.
- Remove the factory sights using a sight removal tool.
- Clean the sight dovetail with a soft cloth to remove any debris.
- Align the new GHOST RING TRITIUM NIGHT SIGHT with the dovetail and press it into place firmly.
- Ensure that the sight is seated fully and securely.
- Repeat the process for the rear sight, ensuring proper alignment.

### 2. Usage:

- When aiming, focus on the front sight while ensuring that the rear sight is properly aligned.
- In lowlight conditions, the Trijicon® Tritium inserts will glow, providing a clear sight picture.
- Practice regularly to become familiar with the sight picture and improve your target acquisition speed.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not throw the product in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage, please refer to the manufacturer's website or customer service for assistance.

Thank you for choosing GHOST RING TRITIUM NIGHT SIGHT SETS for GLOCK®. Your safety is our priority.
