

# AR-15/M16 FREE-FLOAT HANDGUARD STRAP WRENCH - FREE-FLOAT HANDGUARD WRENCH

[Gunsmith Tools & Supplies](#) > [Rifle Tools](#) > [Wrenches](#)

## Plenty Of Leverage To Remove & Reinstall Any Diameter Float Tube

Heavy-duty strap wrench gives you plenty of leverage to remove screw-on free-float handguard tubes, even those sealed with thread locker or frozen on by corrosion between the barrel nut and guard. Large, adjustable strap of tough, reinforced rubber wraps securely around any diameter handguard, with no risk of scratching the finish, and grasps the guard tighter as you apply pressure. Lets you position the strap right over the threaded end of the tube for maximum torque transfer where it s needed most. Hefty steel handle won t bend, no matter how much force you apply, and machined aluminum head maintains optimal alignment of handguard, strap, and handle. Indispensable time-saver for professional armorers or anybody who regularly faces the chore of changing handguards.

## Attributes

- Name: [FREE-FLOAT HANDGUARD WRENCH](#)
- Manufacturer: [ARRINGTON ACCURACY WORKS](#)
- Product no.: 100004209

# AR15/M16 FreeFloat Handguard Strap Wrench

## Safety Instructions

### Introduction

Thank you for choosing the AR15/M16 FreeFloat Handguard Strap Wrench. This tool is designed to provide you with the leverage needed to safely and effectively remove screwon freefloat handguard tubes. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Always read and understand the instruction manual before using the product.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the strap wrench for any damage before use. Do not use if damaged.
- Use the tool only for its intended purpose as described in this guide.
- Ensure that the work area is clean and free of obstacles to prevent accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, during use.
- Be aware of your surroundings and ensure that no one is in the vicinity of the tool while in use.

### Specific Safety Precautions for Use

- **Avoid Overexertion:** Do not apply excessive force that may lead to tool failure or injury.
- **Proper Grip:** Ensure a firm grip on the handle while using the wrench to prevent slippage.
- **Torque Application:** Position the strap directly over the threaded end of the tube to maximize torque transfer.
- **Avoid Skin Contact:** Keep your hands and skin away from the strap during operation to prevent pinching.
- **Use on Compatible Handguards:** This wrench is designed specifically for freefloat handguard tubes. Do not use it on other types of handguards.
- **Environmental Considerations:** Avoid using the tool in wet or slippery conditions to prevent accidents.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the work area is welllit and organized.
- Gather all necessary tools and materials before starting.

#### 2. Positioning the Tool:

- Place the strap wrench around the freefloat handguard tube.
- Adjust the strap to fit securely around the handguard without scratching the surface.

#### 3. Applying Torque:

- Hold the steel handle firmly.
- Gradually apply pressure to the handle to tighten the strap around the handguard.
- Continue to apply steady pressure until the handguard loosens.

#### 4. Removing the Handguard:

- Once loosened, remove the handguard by hand or continue using the strap wrench as needed.

- Store the strap wrench in a safe place after use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal and rubber waste.
- Do not dispose of the tool in household waste. Check for local recycling programs or hazardous waste facilities.

## **Contact Information for Further Support**

For any inquiries regarding the safety and usage of the AR15/M16 FreeFloat Handguard Strap Wrench, please refer to the EU contact point or your local distributor for assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the AR15/M16 FreeFloat Handguard Strap Wrench. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
