

VTAC-LUSA FRONT SLING ADAPTER - VTAC-LUSA SLING ADAPTER

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Accepts Most Swivel Types

Universal, four-in-one adapter accepts traditional Uncle Mike's style sling swivels, quick-release push-button swivels, H&K-style clip-on swivels, or simply thread your sling through the 1" wide loop. Eliminates the need to change sling adapters to match different style sling swivels. Lightweight aluminum clamping block with single cross-bolt locks mount securely to any Picatinny or Weaver-style rail. Quick-release push-button swivels, when installed, are limited to 45° rotation to help prevent sling twist.

VTACLUSA Front Sling Adapter Safety Instructions

Introduction

Thank you for choosing the VTACLUSA Front Sling Adapter. This product is designed to provide a versatile and secure connection for your sling, ensuring safe and efficient use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the sling adapter is compatible with your sling and firearm before use.
- Always inspect the adapter for any signs of wear or damage before each use.
- Use the adapter only as intended and follow all instructions provided.
- Keep the adapter out of reach of children and unauthorized users.
- In case of any malfunction or failure, cease use immediately and contact customer support.

Specific Safety Precautions for Use

- **Compatibility:** Ensure the adapter is compatible with traditional Uncle Mike's style sling swivels, quickrelease pushbutton swivels, and H&K style clip-on swivels.
- **Installation:** Follow the installation instructions closely to avoid improper attachment that could lead to accidents.
- **Sling Twist Prevention:** When using quickrelease pushbutton swivels, be aware that they are limited to 45° rotation to prevent sling twist. Do not force the swivel beyond this limit.
- **Weight Limit:** Do not exceed the weight limit of the sling and adapter. Refer to the manufacturer's specifications for weight recommendations.
- **Inspection:** Regularly check the clamping block and crossbolt for tightness to ensure the adapter remains securely mounted.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe before installation.
- Align the VTACLUSA Front Sling Adapter with the Picatinny or Weaver style rail on your firearm.
- Secure the lightweight aluminum clamping block using the single crossbolt. Tighten the bolt until the adapter is firmly attached, but do not overtighten.
- If using a quickrelease pushbutton swivel, install it according to the manufacturer's instructions.

2. Usage:

- Attach your sling to the adapter, ensuring it is securely fastened.
- Adjust the sling length to your preference for optimal comfort and functionality.
- Always check the connection before use to ensure it is secure and free from obstructions.

Disposal Instructions

- Dispose of the VTACLUSA Front Sling Adapter in accordance with local regulations.
- If the product is damaged or no longer usable, please recycle it responsibly or dispose of it in a manner that minimizes environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure a safe and effective experience with your VTACLUSA Front Sling Adapter. Thank you for your attention to safety.
