

# 1911 NATIONAL MATCH U-NOTCH REAR SIGHT - 10-8 PERFORMANCE NM U-NOTCH REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

## Rugged Construction for Daily Carry, Plus A Clear, Easy-To-See Sight Picture

National Match style rear sight combines modern features with “retro” looks. Fits the dovetail of GI-pattern 1911 pistols, including current-production Colts—no milling required. Extra-thick blade is tall enough to work with Colt .175" high front sight or same-height aftermarket alternatives. Wide .140" notch aids in easy, fast acquisition of front sight for precise targeting. Ledge on front of blade aids in one-hand slide racking.

# Safety Instruction Guide for 1911 National Match UNotch Rear Sight

## Introduction

Thank you for choosing the 1911 National Match UNotch Rear Sight by 108 Performance. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your rear sight. Please read this manual carefully before use to understand the potential hazards and how to avoid them.

## General Safety Guidelines

- Ensure that the rear sight is compatible with your specific model of 1911 pistol.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the rear sight and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the rear sight for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the rear sight only on G1 pattern 1911 pistols, including current production Colts with a .175" high front sight.
- Do not attempt to modify the rear sight or your firearm in any way that may compromise safety.
- Always ensure the firearm is unloaded before installing or adjusting the rear sight.
- When adjusting the rear sight, make small adjustments and test for accuracy to avoid overadjusting.
- Avoid using the rear sight in adverse weather conditions to prevent slipping or misalignment.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a suitable punch and a hammer for installation.

### 2. Installation

- Remove the existing rear sight from the dovetail of the pistol.
- Align the UNotch rear sight with the dovetail slot, ensuring it fits snugly.
- Use the punch and hammer to gently tap the rear sight into place. Avoid excessive force to prevent damage.
- Ensure the sight is level and properly aligned before securing it.

### 3. Usage

- Familiarize yourself with the sight picture before live firing.
- Adjust your stance and grip for optimal alignment with the front sight.
- Practice regularly to improve accuracy and comfort with the new sight.

## Disposal Instructions

When disposing of the rear sight or any firearm accessories, follow these guidelines:

- Dispose of in accordance with local laws and regulations.
- If the sight is damaged or no longer usable, consider recycling the metal components where possible.

- Do not dispose of in regular household waste.

## Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the manufacturer's website or customer service for assistance. Ensure you have your product details available for a more efficient response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 1911 National Match UNotch Rear Sight. Thank you for prioritizing safety and responsible firearm use.
