

AR-15/M16 END PLATE SLING MOUNTS - M4 OEM SLING MOUNT, BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

For Secure, Ambidextrous Attachment Of Slings With Push-Button QD Swivels

Replaces factory receiver end plate and provides three secure, ambidextrous attachment points for the push-button QD sling swivel. Made of hardened aluminum with extra metal at the stress points to ensure this mount won't fail during hard use. Rounded edges resist snagging on sling or other gear. Hardcoat anodized for extra strength and wear resistance, with a matte black finish that matches most factory buffer tubes. Heavy-duty stainless steel swivel accepts slings up to 1¼" wide and allows a full 360° of rotation.

Safety Instruction Guide for AR15/M16 End Plate Sling Mounts

Introduction

Thank you for choosing the AR15/M16 End Plate Sling Mount. This product is designed to enhance the functionality of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or adjusting the sling mount.
- Use the sling mount only with compatible slings and firearms as specified.
- Regularly inspect the sling mount for signs of wear or damage. Replace if necessary.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall information through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the sling mount is securely attached to the receiver end plate before use.
- Check that the sling is properly connected to the mount to avoid accidental detachment.
- Avoid using the sling mount in conditions that exceed its design limits (e.g., extreme stress or environmental conditions).
- Do not modify the sling mount or use it in any way other than intended.
- When using the sling, ensure that it does not interfere with the operation of the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory receiver end plate from the firearm.
- Align the AR15/M16 End Plate Sling Mount with the mounting holes.
- Secure the sling mount using the provided hardware. Ensure all screws are tightened to prevent movement.
- Attach the sling to one of the three attachment points.

2. Usage:

- When using the sling, adjust it to ensure a comfortable fit.
- Use the stainless steel swivel for a full 360° of rotation to allow for ease of movement.
- Regularly check the attachment points to ensure they remain secure during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer needed, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 End Plate Sling Mount, please consult your local retailer or manufacturer's website for additional support and information.

By following these safety instructions, you can ensure the safe and effective use of the AR15/M16 End Plate Sling Mount. Thank you for your attention to safety.
