Ensures You Have A Critical Rifle Reload In An Emergency

Tough, molded polymer magazine pouch lets you carry an extra 20- or 30-round AR-15/M16 magazine, including a Magpul PMAG, on your duty belt behind any standard pistol magazine pouch. Provides a single ammunition management point, saves valuable belt space, and ensures you have a critical rifle reload with you when you need it. Open-top design and the adjustable, spring-loaded tension system holds the magazine securely, while allowing fast extraction under stress. Set screws let you adjust mag retention force and prevent shifting on belt. Can be worn in the vertical or horizontal position on duty belts up to 2¼" wide.

Safety Instruction Guide for the AR15/M16 Patrol Rifle Integrated Mag Pouch

Introduction

Thank you for choosing the AR15/M16 Patrol Rifle Integrated Mag Pouch. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your magazine pouch. Please read this document carefully to understand how to use the product safely and responsibly.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure the magazine pouch is properly secured to your duty belt to prevent accidental loss or injury.
- Regularly inspect the magazine pouch for any signs of wear or damage before each use.
- Avoid exposing the magazine pouch to extreme temperatures or harsh chemicals that may compromise its integrity.
- Keep the magazine pouch and its contents out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the magazine pouch is compatible with the magazines you intend to carry, specifically milspec 20 and 30round AR15/M16 magazines and similar dimensioned commercial magazines.
- Do not overload the magazine pouch beyond its intended capacity, as this may compromise safety and functionality.
- Avoid using the magazine pouch while engaged in activities that may pose a risk of injury if the magazine is accidentally released.
- Maintain awareness of your surroundings when retrieving or replacing magazines from the pouch, especially in high stress situations.
- Adjust the springloaded tension system to ensure a secure fit for the magazine while allowing for quick access when needed.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable location on your duty belt, ensuring it is easily accessible.
- Slide the magazine pouch onto the belt, ensuring it is positioned securely.
- Use the set screws to adjust the retention force of the magazine pouch as needed.

2. Usage:

- To insert a magazine, open the pouch and place the magazine inside, ensuring it is seated properly.
- To retrieve a magazine, grip the pouch firmly and pull the magazine straight out in a smooth motion.
- After use, always replace the magazine back into the pouch to maintain readiness for future use.

Disposal Instructions

- Dispose of the magazine pouch in accordance with local regulations for plastic products.
- Do not incinerate the magazine pouch, as it may release harmful substances when burned.

- If the product is damaged or no longer usable, consider recycling it if facilities are available.
