

# AR-15 ERGO NEVER QUIT GRIP MAGWELL COVER - ERGO GRIPS

## AR-15 NEVER QUIT GRIP BLACK RUBBER

[Home](#)

### Helps Promote A Secure, Non-Slip Grip For The Support Hand On The Magwell

Ergonomically shaped rubber grip enhancer helps promote a secure, comfortable, non-slip grip for the tactical shooter who prefers to position his support hand on the magazine well. Encourages the operator to maintain a firm grasp on the magwell, not the magazine, for improved recoil control and fast followup shots. Oil, dirt, and UV-resistant Santoprene™ thermoplastic elastomer is textured to fit the hand and cushion it from recoil. The surface is just "grippy" enough for a secure hand-hold and to keep the grip from moving on the magwell. Installs easily on any AR-15/M16 rifle or carbine with a standard triggerguard. Just depress the forward pin, swing the guard out of the way, and stretch the Never Quit Grip over the magwell, then reinstall the pin.

### Attributes

- Name: [ERGO GRIPS AR-15 NEVER QUIT GRIP BLACK RUBBER](#)
- Manufacturer: [ERGO GRIPS](#)

# Safety Instructions for AR15 ERGO NEVER QUIT GRIP MAGWELL COVER

## Introduction

Thank you for choosing the AR15 ERGO NEVER QUIT GRIP MAGWELL COVER. This product is designed to enhance your grip and improve control while using your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure the product is compatible with your firearm model (AR15/M16/M4 and clones with removable trigger guard).
- Always handle firearms with care, following basic firearm safety rules.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for wear and tear, and replace if necessary.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the grip enhancer only as intended, to promote a secure grip on the magazine well.
- Avoid using excessive force when installing or removing the grip enhancer.
- Do not use the grip enhancer if it shows signs of damage or wear.
- Ensure that the grip enhancer is securely installed before using the firearm.
- Maintain a firm grasp on the magwell, not the magazine, to improve recoil control.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Depress the forward pin of the trigger guard and swing the guard out of the way.
- Stretch the Never Quit Grip over the magazine well.
- Reinstall the forward pin to secure the grip enhancer in place.

### 2. Usage:

- Position your support hand on the magwell using the grip enhancer.
- Maintain a firm grasp to ensure better recoil control and stability during shooting.
- Regularly check the grip enhancer during use to ensure it remains secure.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for synthetic materials.
- Do not incinerate the product, as it may release harmful substances.
- If possible, recycle the product through appropriate channels.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or usage, please refer to the contact information provided by the manufacturer. Ensure you have the product details ready for efficient assistance.

Thank you for taking the time to read these safety instructions. Your safety and the safety of others is our

priority. Enjoy using your AR15 ERGO NEVER QUIT GRIP MAGWELL COVER responsibly.
