

# AR-15/M16 ASAP SLING ADAPTER - MAGPUL ASAP AMBIDEXTROUS SLING ATTACHMENT POINT BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## Gives Operator A Major Tactical Advantage With 180 Degrees Of Unrestricted Sling Movement

Ambidextrous Sling Attachment Point helps the operator adapt quickly to changing tactical situations by allowing rapid switching of weapon from one shoulder to the other. An unrestricted 180° of sling movement lets you change shoulders to take maximum advantage of available cover, address targets around corners or other barriers, or shift weapon position if one arm is injured. Works with any single-point sling that attaches with a quick-release snap-hook, and fits any rifle or carbine with an M4-type collapsible buttstock. Simply remove the factory receiver end plate and replace with the ASAP; requires no other alterations to weapon, so you can continue to use your original receiver extension, buttstock, and sling. Heavy duty cast steel construction with a 1/8" thick link ring, protected by a durable, wear- and corrosion-resistant mil-spec black manganese phosphate Parkerized finish. Fits both Commercial and Mil-Spec receiver extensions.

## Attributes

- Name: [MAGPUL ASAP AMBIDEXTROUS SLING ATTACHMENT POINT BLACK](#)

# Safety Instruction Guide for AR15/M16 ASAP Sling Adapter

## Introduction

Thank you for choosing the AR15/M16 ASAP Sling Adapter by MAGPUL. This guide is designed to ensure your safe and effective use of the product. Please read this document carefully to understand the safety guidelines, installation instructions, and other important information.

## General Safety Guidelines

- Always inspect the sling adapter before each use to ensure it is in good condition.
- Ensure that the sling adapter is compatible with your rifle or carbine before installation.
- Do not exceed the manufacturer's weight limit for the sling adapter.
- Keep the sling adapter away from children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Ensure that the sling is properly attached to the adapter to prevent accidental detachment during use.
- Avoid placing excessive stress on the sling adapter, especially when transitioning between shoulders.
- Be cautious when changing shoulders; ensure that the weapon is pointed in a safe direction.
- If you experience any difficulty during operation or installation, discontinue use and seek assistance.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Remove the Factory Receiver End Plate:

- Use appropriate tools to carefully remove the existing receiver end plate from your rifle or carbine.

#### 2. Install the ASAP Sling Adapter:

- Align the ASAP Sling Adapter with the receiver extension.
- Securely attach the adapter using the provided hardware, ensuring it is tightly fastened.

#### 3. Attach the Sling:

- Using a quickrelease snaphook, attach your singlepoint sling to the ASAP Sling Adapter.

#### 4. Check for Stability:

- Ensure that the sling adapter is securely attached and that the sling is properly positioned before use.

### Usage Instructions

- To switch shoulders, gently pull the sling to allow for 180° of movement.
- Adjust the sling as necessary to ensure comfort and stability while aiming or moving.
- If you experience any issues with the sling adapter during use, stop immediately and inspect for damage or improper installation.

## **Disposal Instructions**

- Dispose of the sling adapter in accordance with local regulations.
- Do not incinerate or place in regular waste; check for recycling options if available.

## **Contact Information for Further Support**

For any safety inquiries or support, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure a safe and effective experience with your AR15/M16 ASAP Sling Adapter. Thank you for your attention to safety.
