

CHING SPECIALTY SLINGS - CHING SPECIALTY SLING, 1", BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

Tough, Flexible Premium Leather For Hunting & Competition

Traditional leather slings are hand made from high-quality bridle leather that's been tumbled for days with special oils and waxes for maximum flexibility and toughness in the field or at the bench. Features 38 punched holes for a variety of different length adjustments, and includes a solid brass buckle that locks tight for a secure hold that can't slip. Brass screw fasteners keep sling loops closed for a level of security you can depend on. Available in 1" and 1¼" widths. Ching Specialty model is a 3-point sling developed by Eric Ching in cooperation with the Gunsite training school and is perfect for target shooting, competition and dangerous game hunting where fast, accurate shot placement is essential. Center strap locks around the shooter's upper arm for rock-solid stability without using a bipod. Works like a "Deliberate" sling, but much faster to use, and once it's preset, no further loop adjustments are necessary.

Attributes

CHING SPECIALTY SLING Safety Instruction Guide

Introduction

Thank you for choosing the CHING SPECIALTY SLING. This guide provides important safety information and instructions to ensure the safe and effective use of your sling. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose. The CHING SPECIALTY SLING is designed for target shooting, competition, and hunting.
- Always inspect the sling for any signs of wear or damage before each use. Do not use if any components appear compromised.
- Keep the sling out of reach of children and vulnerable individuals when not in use.
- Follow all local laws and regulations regarding the use of slings and firearms.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded when attaching or detaching the sling.
- When using the sling, maintain a proper grip and stance to prevent accidents.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before taking aim.
- Do not exceed the weight limit of the sling, which is designed for standard firearms.
- Avoid using the sling in wet or slippery conditions, as this may affect your grip and stability.

Instructions for Installation and Usage

1. Installation:

- Locate the sling attachment points on your firearm.
- Attach the sling swivels to the designated points securely.
- Adjust the sling length by using the 38 punched holes for your desired fit.
- Ensure that the brass buckle is locked tight to prevent slipping.

2. Usage:

- Place the center strap around your upper arm for stability.
- Adjust the sling to ensure it is snug but comfortable.
- When ready to shoot, ensure you have a clear line of sight and a stable position.
- After use, detach the sling from the firearm and store it in a safe place.

Disposal Instructions

- Dispose of the sling according to local regulations. If the sling is damaged or no longer usable, consider recycling the leather components if possible.
- Do not dispose of the sling in regular household waste if it contains metal components. Check local guidelines for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the CHING SPECIALTY SLING, please reach out to the designated EU contact point provided with your product packaging.

By following these safety instructions, you can ensure a secure and enjoyable experience with your CHING SPECIALTY SLING. Thank you for your attention to safety!
