

CHING SPECIALTY SLINGS - CHING SPECIALTY SLING, 1.25", BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

Tough, Flexible Premium Leather For Hunting & Competition

Traditional leather slings are hand made from high-quality bridle leather that's been tumbled for days with special oils and waxes for maximum flexibility and toughness in the field or at the bench. Features 38 punched holes for a variety of different length adjustments, and includes a solid brass buckle that locks tight for a secure hold that can't slip. Brass screw fasteners keep sling loops closed for a level of security you can depend on. Available in 1" and 1¼" widths. Ching Specialty model is a 3-point sling developed by Eric Ching in cooperation with the Gunsite training school and is perfect for target shooting, competition and dangerous game hunting where fast, accurate shot placement is essential. Center strap locks around the shooter's upper arm for rock-solid stability without using a bipod. Works like a "Deliberate" sling, but much faster to use, and once it's preset, no further loop adjustments are necessary.

CHING SPECIALTY SLING Safety Instruction Guide

Introduction

Thank you for choosing the CHING SPECIALTY SLING. This guide provides important safety instructions and guidelines to ensure the safe use of your sling. Please read this document carefully before using the product.

General Safety Guidelines

- Always inspect the sling before each use for any signs of wear or damage.
- Ensure that the sling is properly adjusted to fit your body and firearm.
- Use the sling only for its intended purpose; do not use it for any other applications.
- Keep the sling out of reach of children and pets to prevent accidents.
- If you experience any issues with the sling, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper use may lead to firearm accidents.
 - Sling failure due to wear or damage can result in injury.
- **Instructions to Avoid Hazards:**
 - Ensure that the sling is securely fastened to your firearm.
 - Do not exceed the weight limit of the sling, as specified by the manufacturer.
 - Avoid using the sling in adverse weather conditions that may affect its performance.
 - Do not modify the sling in any way, as this may compromise its safety features.
- **Age Specific Warnings:**
 - This product is not intended for use by children. Adult supervision is required when used in the presence of minors.

Instructions for Installation and Usage

- **Installation:**
 1. Identify the sling attachment points on your firearm.
 2. Slide the sling loops over the attachment points and secure them using the brass screw fasteners.
 3. Adjust the length of the sling by using the punched holes to achieve the desired fit.
 4. Ensure that the solid brass buckle is locked tight for a secure hold.
- **Usage:**
 - To use the sling, place the center strap around your upper arm for stability.
 - Adjust the sling to your preferred length before use. Once set, no further adjustments are necessary during operation.
 - Practice using the sling in a safe environment before engaging in target shooting or hunting.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged or no longer usable, consider recycling the leather and brass components where possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product information, please contact the manufacturer or your point of purchase. Always ensure you have the product details and any relevant information ready for assistance.

By following these guidelines, you can help ensure a safe and enjoyable experience with your CHING SPECIALTY SLING. Thank you for prioritizing safety!
