

AR-15/M16 CARBINE HANDGUARD - M4 CARBINE HANDGUARD, SINGLE SHIELD

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Rugged, Drop-In Replacement For M4-Style Factory Handguard

Snap-on USGI-type replacement for your carbine's factory-original handguard is made of tough, fiberglass-reinforced, injection-molded polymer that delivers superior impact and abrasion resistance. The ridged gripping surface and top/bottom vent holes retain the weapon's authentic military look, while an internal heat shield of lightweight aluminum protects your hand from barrel heat. M4 model has standard-issue single-layer heat shield on upper and lower handguard. Fits AR-15/M16/M4 with carbine-length gas system.

Safety Instruction Guide for AR15/M16 Carbine Handguard M4 Carbine Handguard, Single Shield

Introduction

Thank you for choosing the AR15/M16 Carbine Handguard M4 Carbine Handguard, Single Shield. This product is designed to enhance the performance and safety of your firearm. Please read this safety instruction guide carefully to ensure safe and proper use of the handguard.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the handguard.
- Inspect the handguard for any damage or defects before use. Do not use if damaged.
- Keep the handguard and firearm out of reach of children and unauthorized users.
- Follow all local and national laws regarding firearm modifications and usage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the handguard is compatible with your AR15/M16/M4 model before installation.
- Use protective gloves when handling the handguard to prevent injury from sharp edges.
- Avoid exposing the handguard to extreme heat or chemicals that may degrade the material.
- Do not attempt to modify the handguard beyond its intended use.
- Be aware of the heat generated by the barrel during use; allow the firearm to cool before handling the handguard.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, if required.

2. Installation:

- Remove the existing handguard by following the manufacturer's instructions for your firearm model.
- Align the new handguard with the mounting points on the firearm.
- Press firmly but gently until the handguard snaps into place. Ensure it is secure and does not wobble.
- Check that the internal heat shield is correctly positioned to protect your hand from barrel heat.

3. Usage:

- Always handle the firearm with care and follow safe handling practices.
- Regularly check the handguard for any signs of wear or damage during use.
- Clean the handguard as needed with a mild detergent and water; avoid abrasive cleaners.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations for plastic materials.
- Do not burn the handguard, as it may release harmful fumes.

- If the handguard is damaged or no longer usable, contact local waste management for proper disposal options.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer or a qualified firearms dealer. Always ensure you are receiving information from reliable sources.

Thank you for prioritizing safety in your firearm usage. Enjoy your new AR15/M16 Carbine Handguard M4 Carbine Handguard, Single Shield responsibly.
