

# AR-15/M16/M4 SKINNY STYLE CARBINE HANDGUARD - SKINNY M4 CARBINE HANDGUARD

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## Rugged, Drop-In Replacement For M4-Style Factory Handguard

Snap-on USGI-type replacement for your carbine's factory-original handguard is made of tough, fiberglass-reinforced, injection-molded polymer that delivers superior impact and abrasion resistance. The ridged gripping surface and top/bottom vent holes retain the weapon's authentic military look, while an internal heat shield of lightweight aluminum protects your hand from barrel heat. Skinny models have standard-issue single-layer heat shield on upper and lower handguard. Skinny M4 model has narrower diameter for operators who prefer a minimal bulk handguard. Fits AR-15/M16/M4 with carbine-length gas system.

## Attributes

- Name: [SKINNY M4 CARBINE HANDGUARD](#)
- Manufacturer: [DOUBLE STAR](#)
- Product no.: 100004515
- Mfr. No.: AR414

# Safety Instruction Guide for AR15/M16/M4 Skinny Style Carbine Handguard

## Introduction

Thank you for choosing the AR15/M16/M4 Skinny Style Carbine Handguard. This product is designed to enhance your firearm's functionality while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the handguard is installed correctly before use.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the handguard for any signs of wear or damage.
- Do not use the handguard if it appears damaged or compromised in any way.
- Familiarize yourself with the local laws and regulations regarding the use and modification of firearms.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including eye protection, when handling firearms.
- Avoid using the firearm in wet or damp conditions to prevent slip and loss of control.
- Ensure that your hands are dry and free of any substances that could affect grip before handling the firearm.
- Do not exceed the recommended weight limit for accessories mounted on the handguard.
- Be aware of your surroundings and ensure that you have a clear shooting area before using the firearm.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Original Handguard:** Follow the manufacturer's instructions to safely remove the factory original handguard.
3. **Install the Skinny Handguard:**
  - Align the Skinny Handguard with the carbine's gas system.
  - Press the handguard into place until it clicks securely.
4. **Check Installation:** Ensure that the handguard is firmly attached and does not move when pulled.

### Usage

- Grip the handguard firmly while aiming and firing to maintain control.
- Utilize the top and bottom vent holes for optimal heat dissipation during prolonged use.
- Monitor the handguard for signs of excessive heat during use, and allow it to cool if necessary.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and polymer materials.
- Do not incinerate or expose the handguard to extreme heat, as this may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the AR15/M16/M4 Skinny Style Carbine Handguard, please refer to the EUbased contact point provided by your retailer or manufacturer.

By following these guidelines, you can ensure a safe and enjoyable experience with your new handguard. Thank you for prioritizing safety and responsible firearm use.
