

AR-15/M16 PMAG MAGAZINE COUPLER - PMAG MAG GRIP

[Home](#)

Securely Clamps Two PMAGs For Fast Reloads In Combat Or Competition

Lightweight, low-profile clamping system attaches the backup magazine directly to the one in the gun for ultra-fast reloads. Holds two 20- or 30-round Magpul PMAGs side-by-side, with a tension-adjustable coupling that prevents the spare magazine from shifting. Precision-machined from billet aluminum with minimal bulk and smooth, radiused edges that won't abrade the hand. Rugged and reliable enough for tactical and competition use.

Attributes

- Name: [PMAG MAG GRIP](#)
- Manufacturer: [MERCOCB SECURITY GROUP.](#)

Safety Instruction Guide for AR15/M16 PMAG Magazine Coupler PMAG Mag Grip

Introduction

Thank you for purchasing the AR15/M16 PMAG Magazine Coupler PMAG Mag Grip. This product is designed to enhance your reloading efficiency while ensuring safety during use. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle magazines and firearms with care and follow standard firearm safety rules.
- Inspect the product regularly for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the magazine coupler.
- Use only compatible 20 or 30round Magpul PMAGs with this coupler.
- Be cautious of the tensionadjustable coupling to prevent accidental detachment.
- Avoid exposing the product to extreme temperatures or harsh chemicals, as this may affect its integrity.
- If you experience any difficulty in using the product, cease use immediately and consult the manufacturer.

Instructions for Installation and Usage

Installation

1. Prepare the Magazines:

- Ensure both PMAGs are unloaded and in good condition.
- Check that the tensionadjustable coupling is loose enough to allow for easy attachment.

2. Attach the Coupler:

- Align the two magazines sidebyside.
- Slide the coupler over the magazines until they are securely held together.
- Adjust the tension on the coupling as needed to prevent shifting.

3. Check the Assembly:

- Firmly hold the coupler and magazines together.
- Ensure that the magazines are securely fastened and will not separate during use.

Usage

- When reloading, maintain a firm grip on the firearm and magazine coupler.
- Practice safe handling techniques, ensuring that the muzzle is pointed in a safe direction.
- During a reload, pull the spare magazine from the coupler with a smooth motion to avoid any sudden movements.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum waste and firearm accessories.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the AR15/M16 PMAG Magazine Coupler PMAG Mag Grip, please refer to the manufacturer's contact details provided with the product packaging. Always ensure you have the latest information and guidance related to product safety and usage.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the proper use and maintenance of this product.
