

12GA TACTICAL REM CHOKE CHOKE TUBE - REMINGTON CHOKE TUBE

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

Delivers Excellent Performance From A Wide Range Of Law Enforcement Ammo

Multi-purpose, screw-in choke tube gives excellent performance with a variety of law enforcement shotgun ammunition, including rifled slugs, buckshot, and breaching rounds. Direct replacement for popular factory screw-in tubes, so it eliminates the inconvenience of having to change the muzzle device for specific applications. Sharply crenelated muzzle provides the proper stand-off distance and secure grip on the surface for use as a breaching device. Won't interfere with performance of buckshot, and preserves the downrange accuracy of slugs. Precision machined from carbon steel, with a knurled surface for easy installation/removal, and a wear-resistant, non-glare black oxide finish.

Attributes

- Name: [REMINGTON CHOKE TUBE](#)

Safety Instruction Guide for 12GA Tactical Rem Choke Tube

Introduction

Thank you for choosing the 12GA Tactical Rem Choke Tube. This product is designed for law enforcement applications and is compatible with various shotgun ammunition. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the choke tube is compatible with your shotgun before installation.
- Always handle firearms with care and follow standard safety practices.
- Keep the choke tube and all firearms out of reach of children and unauthorized users.
- Regularly inspect your choke tube for wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay updated on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to malfunction or accidents.
 - Using incompatible ammunition can cause damage to the firearm or injury.
- **Avoiding Hazards:**
 - Always ensure the firearm is unloaded before installing or removing the choke tube.
 - Use only recommended ammunition types (rifled slugs, buckshot, breaching rounds) with this choke tube.
 - Maintain a safe distance when using the choke tube as a breaching device.
 - Wear appropriate protective gear, including eye and ear protection, when using firearms.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the shotgun is unloaded.
 2. Locate the muzzle device on your shotgun.
 3. Align the choke tube with the threads of the muzzle device.
 4. Handtighten the choke tube until secure. Do not overtighten.
- **Usage:**
 - When using the choke tube, ensure that you are familiar with the operation of your shotgun.
 - Always aim in a safe direction and be aware of your surroundings.
 - After use, remove the choke tube if necessary for cleaning or inspection.

Disposal Instructions

- Dispose of the choke tube in accordance with local regulations regarding metal waste.
- Do not dispose of the choke tube in regular household waste.
- If the choke tube is damaged or no longer usable, contact the manufacturer for proper disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the 12GA Tactical Rem Choke Tube, please reach out to the manufacturer or your local dealer for assistance. Always ensure that you have the latest safety information and

product updates.

Thank you for prioritizing safety while using the 12GA Tactical Rem Choke Tube. Your adherence to these guidelines will help ensure a safe and effective experience.
