## Holds Extra Rounds For Fast Reloads

Flexible polymer holder keeps extra rounds of spare ammo at the ready for fast reloads. Grasps the case head, leaving plenty of the cartridge to grab for quick removal. In-line design allows two-at-time reloads for revolvers. Small enough to store comfortably in a pocket.

# QUICKSTRIP 6RD QUICK STRIP Safety Instructions

## Introduction

Thank you for choosing the QUICKSTRIP 6RD QUICK STRIP for your ammunition storage and reloading needs. This product is designed to securely hold extra rounds of ammunition, allowing for quick and efficient reloads. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle ammunition and firearms responsibly and in accordance with local laws and regulations.
- Ensure that the QUICKSTRIP is used only with compatible calibers: .38, .357, .40 S&W, and 6.8MM.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the QUICKSTRIP for any signs of damage or wear before use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer.

## Specific Safety Precautions for Use

- Do not overfill the QUICKSTRIP beyond its designed capacity of 6 rounds.
- Always ensure that the ammunition is properly seated in the holder to prevent accidental dislodging.
- Avoid exposing the QUICKSTRIP to extreme temperatures or harsh chemicals that may damage the polymer material.
- When removing rounds from the QUICKSTRIP, do so carefully to avoid injury.
- Do not use the QUICKSTRIP while under the influence of drugs or alcohol.

## Instructions for Installation and Usage

### 1. Loading the QUICKSTRIP:

- Hold the QUICKSTRIP with the open end facing upwards.
- Insert the rounds into the holder, ensuring that the case heads are grasped securely.
- Make sure that the rounds are seated properly and that the holder is not overfilled.

### 2. Using the QUICKSTRIP for Reloading:

- When ready to reload, grasp the QUICKSTRIP firmly and align it with the revolver's cylinder.
- Quickly pull the rounds from the QUICKSTRIP while ensuring a steady grip on the firearm.
- Reload the revolver by inserting the rounds into the cylinder, ensuring they are seated correctly.

### 3. Storing the QUICKSTRIP:

- After use, store the QUICKSTRIP in a safe and dry location, away from children and unauthorized users.
- Consider keeping it in a dedicated ammunition storage container or pouch for added protection.

## Disposal Instructions

- The QUICKSTRIP is made from polymer material. When it has reached the end of its usable life, dispose of it in accordance with local waste management regulations.
- Avoid burning the product, as this may release harmful substances. Instead, check for recycling options in your area.

## **Contact Information for Further Support**

For safety inquiries or additional information regarding the QUICKSTRIP, please contact the manufacturer directly. Ensure that you have the product details and any relevant information at hand for efficient assistance.

By following these safety instructions, you can ensure the safe and effective use of the QUICKSTRIP 6RD QUICK STRIP. Enjoy your experience, and always prioritize safety when handling ammunition and firearms.
