

# AK-47 SPEED CATCH MAGAZINE RELEASE - SPEED CATCH MAGAZINE RELEASE

[Rifle Parts](#) > [Receiver Parts](#) > [Magazine Parts](#) > [Magazine Releases](#)

## For Fast Reloads In The Ready Position

Extended magazine release enables lightning-quick reloads without your rifle ever leaving your shoulder. Just press the release with your trigger finger while keeping your palm wrapped around the pistol grip, and change magazines with your opposite hand, all in one motion. Precision laser-cut from heavy-duty, 16 gauge sheet steel, then welded in position and powder coated for durability. Optional installation with a permanent rivet or a removable threaded rivet. Ambidextrous for use by left- and right-hand operators. Built slightly oversized to help ensure a precise fit on AK-47 rifles, commercial Saiga rifles, and Saiga .410 bore/20 gauge shotguns; does not fit Saiga 12 gauge shotguns. Gunsmith installation recommended, requires removal of existing magazine release.

# Safety Instruction Guide for AK47 SPEED CATCH MAGAZINE RELEASE

## Introduction

Thank you for choosing the AK47 SPEED CATCH MAGAZINE RELEASE. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the magazine release is compatible with your firearm model (AK47, Saiga rifles, and Saiga .410 bore/20 gauge shotguns; does not fit Saiga 12 gauge shotguns).
- Always handle firearms with care and follow all safety protocols.
- Keep the magazine release and all firearm components out of reach of children and unauthorized users.
- Be aware of your surroundings when handling firearms to avoid accidents.
- Regularly inspect the magazine release for any signs of wear or damage.

## Specific Safety Precautions for Use

- Use the magazine release only for its intended purpose as described in this guide.
- Ensure that the firearm is unloaded before installation or maintenance of the magazine release.
- Avoid using excessive force when pressing the magazine release to prevent damage.
- Always maintain a firm grip on the firearm when using the magazine release to prevent accidental drops.
- If you experience any difficulty with the magazine release, stop using it immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing magazine release from the firearm. This may require specific tools; consult a gunsmith if needed.
3. Align the AK47 SPEED CATCH MAGAZINE RELEASE with the mounting area.
4. Secure the magazine release in place using the provided mounting hardware.
5. Choose one of the installation options:
  - Permanent rivet (if you want a fixed installation).
  - Removable threaded rivet (if you want the option to uninstall in the future).
6. Ensure that the magazine release is firmly attached and properly aligned.

### Usage

1. To release the magazine, press the magazine release with your trigger finger while keeping your palm wrapped around the pistol grip.
2. Use your opposite hand to change the magazine in a fluid motion.
3. Practice using the magazine release in a safe environment until you are comfortable with its operation.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Ensure that any components that may pose a hazard are properly disposed of to avoid environmental damage.

## **Contact Information for Further Support**

For any questions or concerns regarding the AK47 SPEED CATCH MAGAZINE RELEASE, please consult a qualified gunsmith or contact the manufacturer directly through their official channels.
