## Increases Shooting Comfort & Provides Storage For Ammo & Other Gear

Made for the rifle shooter who requires a lot from a cheek pad, the Tac Ops pad offers a soft, synthetic suede cheek rest for increased shooting comfort with minimal increase in comb height. Stitched and reinforced nylon body has a zippered pocket for carrying little necessities like a windage and elevation card, cleaning gear, or small shooting accessories. Heavy, reinforced elastic cartridge carrier outside the pocket securely holds up to 8 rounds at your fingertips, ready to load. Three hook-and-loop cinch straps provide fast, secure installation, adjustment, and removal. Rear strap includes a hook-and-loop lined drag handle.

# Safety Instruction Guide for RIFLE STOCK PACKS

## Introduction

Thank you for choosing the RIFLE STOCK PACKS. This product is designed to enhance your shooting experience with its comfortable cheek pad and convenient features. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the cheek pad only with compatible rifles.
- Ensure that the product is securely attached before use to prevent accidents.
- Avoid using the product in adverse weather conditions that may affect its performance.
- Do not overload the cartridge carrier beyond its designed capacity (up to 8 rounds).
- Be mindful of the added cheek height when aiming to ensure proper alignment and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Place the cheek pad on the stock of the rifle.
- Use the three hookandloop cinch straps to secure the pad in place.
- Adjust the straps for a snug fit, ensuring the pad does not shift during use.
- Check that the rear strap with the drag handle is properly attached.

### 2. Usage:

- Before shooting, ensure that the cheek pad is securely fastened.
- Load cartridges into the elastic carrier as needed, ensuring not to exceed the capacity.
- Maintain a proper shooting stance and ensure the rifle is stable.
- After use, remove the cheek pad carefully, ensuring no damage to the rifle stock.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding textile and synthetic materials.
- Do not incinerate the product as it may release harmful substances.
- Consider recycling options where available.
