Tough, Combat-Tested Grips With Built-In Utility Features

Dual-purpose cover slides on and snaps into place on any Picatinny handguard rail. Protects the machined surfaces while offering a secure, non-slip gripping surface for maximum weapon control. Impact and heat resistant for years of rugged use. SCAR is based on feedback from special forces operators using the new FN SCAR rifle, with a lower profile and more aggressive texture than BGR models. Available in 4" length.
