# AK47/74 Universal Handguard Safety Instructions

## Introduction

Thank you for purchasing the AK47/74 Universal Handguard. This product is designed to enhance the versatility and convenience of your AK47 platform. To ensure safe usage and maximum performance, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms and accessories with care, following all applicable safety regulations and laws.
- Ensure that the firearm is unloaded before installing or handling the handguard.
- Keep the handguard and all accessories out of reach of children and unauthorized users.
- Regularly inspect the handguard for signs of wear or damage. Do not use if damaged.
- Follow local laws regarding the use and modification of firearms and accessories.

## Specific Safety Precautions for Use

- Ensure that the handguard is properly installed before use to avoid accidents.
- Do not exceed the manufacturer's recommended weight limit for accessories mounted on the handguard.
- Be cautious when using the handguard with heatgenerating accessories, as they may cause burns or other injuries.
- Always use protective eyewear when handling firearms or accessories.
- If using optics or sights, ensure they are correctly aligned to avoid misfires or accidents.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Gather all necessary tools, including Allen wrenches and thread locking compound.
- Ensure the firearm is unloaded and in a safe environment for installation.

#### 2. Field Stripping

- Field strip your AK47 according to the manufacturer's instructions. This typically involves removing the upper and lower assemblies.

#### 3. Mounting the Handguard

- Align the handguard with the mounting points on the firearm.
- Use the provided mounting hardware to secure the handguard in place.
- Tighten all screws and bolts firmly, but do not overtighten to avoid damaging the handguard or the firearm.

#### 4. Final Inspection

- Ensure that the handguard is securely attached and does not move when pulled.
- Check that all accessories are properly mounted and secured before use.

### Usage

- After installation, familiarize yourself with the handguard and its features.
- Mount accessories such as lights, lasers, and optics according to their respective instructions.

- Regularly check the stability of mounted accessories before and during use.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the handguard in regular household waste.
- If the handguard is damaged or no longer usable, consider recycling options that comply with local environmental guidelines.
