

# GUN CLEANER/LUBRICANT - SUPER QCG, 8 OZ.

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

## Cleans, Lubricates, Repels Moisture, & Inhibits Rust

Super Quick Clean Guns is a fast-acting, complete cleaning formula for use on all types of firearms. Powerful cleaning solution works hard as a bore solvent to remove copper, lead, carbon, black powder and plastic fouling. Spray on the exterior of actions, barrels, magazines, and wipe dry. Dry micro-lubrication coats and seals your gun to prevent build up of gummy grime and grit. A proven moisture dissipater protects your gun's bluing and exposed metal parts that are vulnerable to rust and corrosion. This multi-purpose solution is even gentle enough to use to clean optics and helps prevent them from fogging up. Prevents guns from sweating in humid conditions. Safe for use on all metals, wood and laminate stocks, composite, nylon, and plastic material.

# **GUN CLEANER/LUBRICANT SUPER QCG, 8 OZ**

## **Safety Instructions**

### **Introduction**

Thank you for choosing the GUN CLEANER/LUBRICANT SUPER QCG. This product is designed to provide effective cleaning and lubrication for all types of firearms. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

### **General Safety Guidelines**

- Always use this product in a wellventilated area to avoid inhalation of fumes.
- Keep out of reach of children and pets to prevent accidental ingestion or misuse.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Do not use on hot surfaces or near open flames, as this product is flammable.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Dispose of empty containers and unused product in accordance with local regulations.

### **Specific Safety Precautions for Use**

- Use protective gloves and eyewear when applying the cleaner/lubricant to minimize skin and eye contact.
- Do not spray directly onto the firearm's trigger mechanism or internal components unless specified.
- Ensure that the firearm is unloaded and pointed in a safe direction before applying the cleaner/lubricant.
- Avoid using the product on materials that may be damaged by solvents, such as certain plastics or finishes.
- If you experience any adverse reactions, discontinue use immediately and seek medical attention if necessary.

### **Instructions for Installation and Usage**

#### **1. Preparation:**

- Ensure that the firearm is unloaded and in a safe condition.
- Gather necessary materials: GUN CLEANER/LUBRICANT SUPER QCG, clean cloths, and protective gloves.

#### **2. Application:**

- Shake the bottle well before use.
- Spray the cleaner/lubricant onto the exterior surfaces of the firearm, including actions, barrels, and magazines.
- Wipe dry with a clean cloth to remove excess product.
- For internal cleaning, apply a small amount to a clean patch and run it through the bore of the firearm.

#### **3. PostApplication:**

- Allow the product to dry completely before handling the firearm.
- Ensure that all components are free of residue before reassembling the firearm.

## **Disposal Instructions**

- Dispose of empty containers in accordance with local waste disposal regulations.
- Do not incinerate or puncture the container.
- If the product is no longer needed, follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any safety inquiries or further information, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience while using the GUN CLEANER/LUBRICANT SUPER QCG. Thank you for your attention to safety.
