

# AR-15/M16 B.A.D. LEVER™ - B.A.D. BATTERY ASSIST DEVICE LEVER FOR AR15/M4 BLACK

[Home](#)

## Lets You Release The Bolt With The Trigger Finger; Improves Readiness & Efficiency

The Magpul Battery Assist Device (B.A.D.) is an extended bolt release that allows the shooter to keep his hand in the ready position on the pistol grip and operate the bolt catch with the trigger finger. Streamlines bolt catch manipulation to get the weapon into battery more quickly for improved operator readiness and weapon handling efficiency. Easy to install and remove—no weapon disassembly required. The B.A.D. lever clamps securely to the factory bolt release with a Torx® head screw and extends a paddle through the front of the triggerguard to the right-hand side of the weapon. Trigger finger can stay outside the triggerguard as you operate the lever, and factory bolt catch retains normal function with B.A.D. installed. Made of a high-grade aluminum alloy, hardcoat anodized to MIL-A-8625F, Type III, Class 2 spec for extra strength and wear resistance. Magpul Bad Lever is not compatible with the BNR-180's uppers

## Attributes

- Name: [B.A.D. BATTERY ASSIST DEVICE LEVER FOR AR15/M4 BLACK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100004755
- Mfr. No.: MAG980-BLK
- Make: AR-15
- Delivery weight: 0.045kg
- Shipping height: 20mm
- Shipping width: 109mm
- Shipping length: 191mm
- UPC: 873750002996

# Safety Instruction Guide for the AR15/M16 B.A.D. LEVER™

## Introduction

Thank you for choosing the Magpul Battery Assist Device (B.A.D.) Lever for your AR15/M16 firearm. This guide provides important safety information, installation instructions, and usage guidelines to ensure your safety and the proper functioning of the device. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the firearm is unloaded before installing or operating the B.A.D. Lever.
- Always treat your firearm as if it is loaded, even when you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the B.A.D. Lever and your firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the B.A.D. Lever for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- The B.A.D. Lever is designed for use with milspec AR15/M16 receivers. Do not attempt to install it on incompatible models.
- Ensure that the factory bolt catch retains normal function after installation of the B.A.D. Lever.
- Avoid placing your finger inside the trigger guard while operating the B.A.D. Lever to prevent accidental discharge.
- Use caution when operating the lever, especially in highstress situations.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the device.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the factory bolt release lever on your AR15/M16 receiver.
- Using the included Torx wrench, securely clamp the B.A.D. Lever to the factory bolt release with the provided screw.
- Confirm that the paddle extends through the front of the trigger guard to the righthand side of the weapon.
- Verify that the factory bolt catch operates normally with the B.A.D. Lever installed.

### 2. Usage:

- Keep your hand on the pistol grip while operating the B.A.D. Lever with your trigger finger.
- Ensure your finger remains outside the trigger guard during operation.
- Practice using the B.A.D. Lever in a safe environment to become familiar with its operation.
- Always maintain focus on your target and surroundings when using the firearm.

## Disposal Instructions

- Dispose of the B.A.D. Lever in accordance with local regulations regarding aluminum products.
- Do not dispose of the B.A.D. Lever in regular household waste if it is damaged or has reached the end of its usable life. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the B.A.D. Lever, please consult the manufacturer's website or reach out to authorized dealers for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of the Magpul B.A.D. Lever. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
