

AR-15/M16 QUICK DETACH SLING SWIVEL - QD RECEIVER END PLATE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Replacement Receiver End Plate For Mounting Pushbutton Sling Swivel

Low-profile ambidextrous mount replaces the factory receiver end plate to allow easy attachment of a QD sling swivel to the rear of the receiver. Won't interfere with access to weapon's controls, and won't snag on foliage, vehicle, or other gear. Made of steel to allow proper staking of buffer tube lock nut on the lower receiver. Compatible with mil-spec lower receivers with M4-style collapsible stocks. Lets collapsible stocks collapse fully.

Safety Instruction Guide for AR15/M16 Quick Detach Sling Swivel QD Receiver End Plate

Introduction

Thank you for choosing the AR15/M16 Quick Detach Sling Swivel QD Receiver End Plate. This product is designed to provide a secure and easy attachment point for your sling while ensuring that your weapon's controls remain accessible. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is installed correctly before use.
- Always handle firearms with care and follow standard safety practices.
- Regularly inspect the sling swivel and end plate for wear or damage.
- Do not use the product if it appears to be damaged or malfunctioning.
- Keep out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the sling swivel is securely attached to the end plate before using your firearm.
- Do not overload the sling or use it in a manner that could compromise safety.
- Be aware of your surroundings when using the sling to avoid entanglement with foliage or other gear.
- Ensure that the sling does not obstruct access to weapon controls.
- Use only with milspec lower receivers and M4style collapsible stocks.
- Follow all local laws and regulations regarding firearm accessories.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory receiver end plate from the lower receiver.
- Align the Quick Detach Sling Swivel QD Receiver End Plate with the mounting holes on the lower receiver.
- Securely attach the end plate using the appropriate hardware (not included).
- Ensure that the buffer tube lock nut is properly staked to prevent loosening.

2. Usage:

- Attach the QD sling swivel to the end plate by pressing the release button and inserting the swivel into the socket.
- Ensure that the swivel clicks into place and is secure before use.
- Adjust the sling to your desired length and ensure it is properly positioned for comfort and accessibility.
- Regularly check the attachment point for any signs of wear or damage during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal products.
- Do not dispose of the product in regular household waste.

- Consider recycling the product if possible.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 Quick Detach Sling Swivel QD Receiver End Plate, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines and instructions, you can ensure the safe and effective use of your AR15/M16 Quick Detach Sling Swivel QD Receiver End Plate. Thank you for prioritizing safety!
