

1911 EXTREME SERVICE TRIGGER - MEDIUM 1911 TRIGGER, BLACK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Delivers A Precise, Comfortable Trigger Pull, Plus Strength & Reliability

High-performance trigger is built for shooters who run their guns hard, yet want a precise, smooth, consistent trigger pull. Solid aluminum shoe gives a comfortable, natural finger position to help prevent uneven pressure that can compromise accuracy. Smooth, curved face with radiused edges won't abrade the finger, and a choice of shoe lengths lets you set a length of pull that concentrates the pull force on the centerline of the trigger. Shoe is permanently staked to a non-flex bow of hardened stainless steel with a mirror-polished surface that eliminates friction with the frame. Fixed, internal overtravel stop lets you set the precise amount of overtravel when you install the trigger, and won't back out over time. Simply file the tip of the stop until it allows the sear nose to clear the hammer hooks and half-cock notch.

Attributes

- Name: [MEDIUM 1911 TRIGGER, BLACK](#)
- Manufacturer: [HARRISON DESIGN & CONSULTING](#)
- Product no.: 100004774
- Mfr. No.: HD-102-B

Safety Instruction Guide for 1911 EXTREME SERVICE TRIGGER MEDIUM

Introduction

Thank you for choosing the 1911 EXTREME SERVICE TRIGGER MEDIUM. This highperformance trigger is designed for shooters who demand precision and consistency. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide. Your safety and satisfaction are our top priorities.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the trigger by following all instructions. This product is designed for nonfood use and complies with EU safety regulations.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the platform adheres to safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored and used safely away from minors.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Always ensure the firearm is unloaded before installation.
 - Use appropriate tools and follow installation instructions carefully to avoid damage.
- **Usage Precautions:**
 - Always treat the firearm as if it is loaded.
 - Maintain a proper grip and stance when using the firearm to ensure control.
 - Be aware of your surroundings and ensure a safe shooting environment.
- **Maintenance Precautions:**
 - Regularly inspect the trigger and firearm for any signs of wear or damage.
 - Clean the trigger according to the manufacturer's recommendations to maintain performance.
- **Storage Precautions:**
 - Store the firearm and trigger in a secure location, away from children and unauthorized users.
 - Use a gun safe or lockbox for added security.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare the Firearm:**

- Ensure the firearm is unloaded.
- Remove the existing trigger according to the firearm's manual.

2. **Install the New Trigger:**

- Align the new trigger with the bow of the firearm.
- Ensure the shoe is properly staked to the bow.
- Adjust the overtravel stop as needed by filing the tip until the sear nose clears the hammer hooks and halfcock notch.

3. **Test the Trigger:**

- Before using the firearm, conduct a function check to ensure the trigger operates correctly.
- Make sure there is no excessive overtravel.

Usage Instructions

• **Preparing to Shoot:**

- Always wear appropriate eye and ear protection.
- Ensure the firearm is in good working condition.

• **Shooting:**

- Maintain a firm grip and use a smooth, controlled pull on the trigger.
- Focus on your target and be aware of your surroundings.

• **PostShooting:**

- After shooting, ensure the firearm is unloaded before handling or cleaning.
- Store the firearm safely.

Disposal Instructions

When disposing of the 1911 EXTREME SERVICE TRIGGER MEDIUM, follow these guidelines:

- **Environmental Considerations:** Dispose of the trigger in accordance with local regulations regarding metal and electronic waste.
- **Safety First:** Ensure that the trigger is not usable before disposal to prevent any accidental use.
