

1911 EXTREME SERVICE TRIGGER - MEDIUM 1911 TRIGGER, SILVER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Delivers A Precise, Comfortable Trigger Pull, Plus Strength & Reliability

High-performance trigger is built for shooters who run their guns hard, yet want a precise, smooth, consistent trigger pull. Solid aluminum shoe gives a comfortable, natural finger position to help prevent uneven pressure that can compromise accuracy. Smooth, curved face with radiused edges won't abrade the finger, and a choice of shoe lengths lets you set a length of pull that concentrates the pull force on the centerline of the trigger. Shoe is permanently staked to a non-flex bow of hardened stainless steel with a mirror-polished surface that eliminates friction with the frame. Fixed, internal overtravel stop lets you set the precise amount of overtravel when you install the trigger, and won't back out over time. Simply file the tip of the stop until it allows the sear nose to clear the hammer hooks and half-cock notch.

Attributes

- Name: [MEDIUM 1911 TRIGGER, SILVER](#)
- Manufacturer: [HARRISON DESIGN & CONSULTING](#)
- Product no.: 100004777
- Mfr. No.: HD-102-N

Safety Instruction Guide for the 1911 Extreme Service Trigger

Introduction

Thank you for choosing the 1911 Extreme Service Trigger. This highperformance trigger is designed for shooters who demand precision and consistency in their firearm. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the trigger is installed correctly before use.
- Use the trigger only with compatible 1911 models: Government, Commander, and Officers.
- Regularly inspect the trigger for wear or damage.
- Store the firearm securely and out of reach of children.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction when handling.
- Do not modify the trigger or firearm in any way that could compromise safety.
- Do not use the trigger if it shows signs of damage or malfunction.
- Always use the trigger in a controlled environment, such as a shooting range.
- Be aware of your surroundings and ensure that you have a clear line of sight when firing.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** You will need a file for adjusting the overtravel stop and standard tools for disassembling your firearm.
2. **Disassemble the Firearm:** Follow the manufacturer's instructions to safely disassemble your 1911.
3. **Remove the Old Trigger:** Carefully remove the existing trigger from the firearm.
4. **Install the New Trigger:**
 - Align the trigger shoe with the bow and insert it into the trigger slot.
 - Ensure the shoe is staked securely to the bow.
5. **Set the Overtravel Stop:**
 - Adjust the internal overtravel stop by filing the tip until it allows the sear nose to clear the hammer hooks and halfcock notch.
6. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble your firearm.
7. **Test the Trigger:** Before using, ensure that the trigger operates smoothly and safely.

Usage

- Use the trigger only when you are fully aware of your surroundings and in a safe environment.
- Maintain a proper grip and stance while firing to ensure control.
- Keep your finger off the trigger until you are ready to shoot.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations regarding metal and firearm parts.
- If the trigger is damaged beyond repair, ensure it cannot be reused by cutting or destroying it before disposal.

disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 1911 Extreme Service Trigger, please contact the manufacturer directly. They will provide you with the necessary support and information.

By adhering to these guidelines, you can ensure a safe and enjoyable experience with your 1911 Extreme Service Trigger. Thank you for your attention to safety.
