# AR15/M16 L5 Magazine Coupler Safety Instructions

## Introduction

Thank you for choosing the AR15/M16 L5 Magazine Coupler. This product is designed to enhance your shooting experience by allowing for quick and easy magazine changes. However, it is essential to use this product safely and correctly to ensure your safety and the safety of others. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Keep the magazine coupler and magazines out of reach of children and unauthorized users.
- Use the product only with compatible magazines as specified in the product specifications.
- Inspect the magazine coupler and magazines for any damage before each use. Do not use damaged products.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the magazine coupler is securely attached to both magazines before use.
- Do not overtighten the clamping screws, as this can damage the magazines.
- Always keep your finger off the trigger until you are ready to shoot.
- Avoid using the magazine coupler in environments where it could be exposed to extreme temperatures, moisture, or chemicals.
- Be aware of your surroundings and ensure that you have a clear and safe area for shooting.
- If you experience any malfunctions while using the product, stop using it immediately and seek assistance.

## Instructions for Installation and Usage

### Installation Steps

1. **Prepare the Magazines:** Ensure both AR15/M16 30round magazines are clean and free from obstructions.
2. **Attach the Coupler:**
  - Align the magazine coupler with the ridges of the first magazine.
  - Slide the coupler onto the magazine until it is fully seated.
3. **Secure the Coupler:**
  - Insert the second magazine into the coupler.
  - Tighten the clamping screws gently using a suitable tool, ensuring not to overtighten.
4. **Check Stability:**
  - Verify that both magazines are securely held in place by the coupler.
  - Perform a visual inspection to ensure there are no gaps or misalignments.

### Usage Steps

1. **Loading:** Load each magazine as per standard procedures.
2. **Firing:** When ready to fire, ensure your firearm is pointed in a safe direction, and follow standard firearm safety practices.
3. **Reloading:** When the first magazine is empty, the second magazine will be readily available for a quick

reload.

4. **PostUse:** After use, remove the coupler from the magazines by loosening the clamping screws and sliding it off.

## Disposal Instructions

- Dispose of the magazine coupler and any damaged magazines in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for materials where applicable.

## Contact Information for Further Support

For any inquiries regarding safety, product usage, or support, please refer to the product packaging for contact details of the manufacturer. Always ensure that you are using verified and official sources for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15/M16 L5 Magazine Coupler. Always prioritize safety and responsible usage. Thank you for your attention to these guidelines.
