# QUICKDETACH SLING SWIVEL Safety Instruction Guide

## Introduction

Thank you for choosing the QUICKDETACH SLING SWIVEL by VLTOR Weapon Systems. This guide provides important safety information and instructions for the proper use and maintenance of your product. Please read this manual carefully to ensure safe and effective use.

## General Safety Guidelines

- Always ensure that the sling swivel is securely attached before use.
- Inspect the sling swivel for any signs of wear or damage before each use.
- Avoid using the sling swivel with incompatible or damaged slings.
- Ensure that the sling swivel is not overloaded beyond its specified limits.
- Keep the sling swivel out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Risk of injury from improper attachment or release.
- Risk of equipment failure if used with incompatible accessories.

- **Instructions for Avoiding Hazards:**

- Ensure the sling swivel is compatible with your equipment before use.
- Always follow the manufacturer's guidelines for installation and usage.
- Do not exceed the recommended width of slings (1¼") when using the swivel.
- Regularly check the swivel mechanism for proper operation.

- **Age Specific Warnings:**

- This product is not intended for use by children. Ensure adult supervision when used around minors.

## Instructions for Installation and Usage

1. **Installation:**

- Locate the quickdetach swivel receptacle on your Vltor Modstock or compatible accessory.
- Align the sling swivel with the receptacle.
- Push the swivel into the receptacle until you hear a click, indicating it is securely locked in place.

2. **Usage:**

- To attach a sling, feed the sling through the loop of the swivel.
- Ensure the sling is seated properly in the loop.
- To detach, press the pushbutton mechanism on the swivel and pull it out of the receptacle.

3. **Regular Maintenance:**

- Clean the swivel regularly with a dry cloth to remove dirt and debris.
- Inspect for rust or corrosion, especially if exposed to moisture.
- If any part of the swivel appears damaged, discontinue use and replace immediately.

## **Disposal Instructions**

- Dispose of the sling swivel in accordance with local regulations.
- Do not dispose of the product in general household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please contact the manufacturer directly. Ensure you have the product details available for reference.

Thank you for following these safety guidelines. Your attention to these instructions will help ensure safe and effective use of your QUICKDETACH SLING SWIVEL.
