

# AR-15 MOE/MIAD FIELD SURVIVAL TOOL GRIP CORE BLACK POLYMER

[Home](#)

Versatile multi-tool is like an armorer's kit that fits in the palm of your hand and stores in the pistol grip of your rifle, so you have it when you need it. Inside, you'll find an array of tools for performing emergency repairs to get your AR back in action fast in combat, on the range, or in the field. There's a flat-blade screwdriver, broken shell extractor, carbon scraper, cotter pin hook for removing firing pin from bolt, A2 front sight tool, magazine feed lip gauge, and a feed lip adjustment tool. A refillable stainless steel tube holds just enough oil for one field lube. Use the wire brush for cleaning the bolt and carrier key, or remove the brush and attach it to the pull cable for bore cleaning using the shell extractor as a T-handle. A2 fits standard A2-type pistol grip. Twist the base to activate the compression lock system and anchor the tool securely—no movement, no rattling. Aggressive, molded "teeth" on the base serve as an emergency strike plate during hand-to-hand combat. Teeth are designed to create painful pressure points on impact, but won't snag on your gear during ordinary activity. MOE/MIAD fits inside Magpul MOE® pistol grips and has same tools as above, without the strike plate. Both models have hardened, corrosion-resistant stainless steel components and mechanism encased in a tough shell of nearly indestructible, reinforced polymer to ensure years of reliable service.

## Attributes

- Name: [AR-15 MOE/MIAD FIELD SURVIVAL TOOL GRIP CORE BLACK POLYMER](#)
- Manufacturer: [SAMSON MANUFACTURING CORP](#)
- Product no.: 100004951
- Mfr. No.: 05-00002-01
- Color: Black
- Make: AR-15
- Material: Polymer
- Delivery weight: 0.091kg
- Shipping height: 36mm
- Shipping width: 102mm
- Shipping length: 122mm
- UPC: 851725003070

# AR15 MOE/MIAD FIELD SURVIVAL TOOL GRIP CORE Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 MOE/MIAD FIELD SURVIVAL TOOL GRIP CORE. This versatile multitool is designed to enhance your shooting experience by offering essential tools for emergency repairs and maintenance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your AR15 rifle before using this product.
- Always handle firearms and related accessories with care, following all safety protocols.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool regularly for signs of wear or damage before each use.
- Use this product only for its intended purpose.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not use the tool while the firearm is loaded.
- Always ensure the firearm is pointed in a safe direction when performing any maintenance or repairs.
- Use caution when handling sharp tools, such as the flatblade screwdriver and carbon scraper.
- Be aware of your surroundings and ensure that you are in a safe environment when using this product.
- Store the tool in a secure location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your AR15 is unloaded and pointed in a safe direction.
- Remove the existing pistol grip if necessary.
- Insert the AR15 MOE/MIAD FIELD SURVIVAL TOOL GRIP CORE into the grip assembly.
- Twist the base to activate the compression lock system, securing the tool in place.

### 2. Usage:

- To access the tools, unscrew the base of the grip.
- Use the flatblade screwdriver for screws and adjustments.
- The broken shell extractor can be used in case of a malfunction.
- Utilize the carbon scraper for cleaning the bolt and carrier key.
- The cotter pin hook is designed to assist in removing the firing pin from the bolt.
- Use the A2 front sight tool for adjustments to the front sight.
- The magazine feed lip gauge and adjustment tool can help ensure proper magazine function.
- For bore cleaning, attach the wire brush to the pull cable and use the shell extractor as a Thandle.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, consider recycling the polymer and metal components where facilities are available.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product issues, please refer to the contact information provided by the manufacturer or retailer. Always ensure that you have access to the latest safety updates and product recalls through official channels.

By following these guidelines, you can ensure a safe and effective experience with your AR15 MOE/MIAD FIELD SURVIVAL TOOL GRIP CORE. Thank you for your attention to safety.
