

# GUN ORGANIZING RIFLE RODS - GUN STORAGE SOLUTIONS RIFLE ROD STARTER KIT, 20-PAK

[Shooting Accessories](#) > [Gun Storage](#) > [Safe Accessories](#)

## Maximize Space, Organization and Accessibility of Long Guns in Safe

Think your gun safe is full? Think again! Now you can store more guns and access them easier. Lift out the standard plywood rack(s) in your safe and replace it with Rifle Rods. Gun Storage Solutions American-made Rifle Rods individually stabilize each long gun upright, rather than leaning, for more versatility. The loop fabric provided in Rifle Rod Kits, adapt any space - gun safe, closet, or cabinet - by lining the bottom of a wooden shelf. Rifle Rods work great for guns with scopes, shotguns, and tactical weapons. Customers report an average increase of 50% more guns. Gun Organizing Rifle Rods Kit Small includes 10 Rifle Rods and a 19" x 15" sheet of loop fabric to adapt shelf for use of Rifle Rods. Gun Organizing Rifle Rods Kit Medium includes 20 Rifle Rods and a 19" x 30" sheet of loop fabric to adapt shelf for use of Rifle Rods. Gun Organizing Rifle Rods includes 6 Rifle Rods.

# Safety Instruction Guide for GUN ORGANIZING RIFLE RODS

## Introduction

Thank you for choosing the GUN ORGANIZING RIFLE RODS GUN STORAGE SOLUTIONS RIFLE ROD STARTER KIT, 20PAK. This guide provides important safety information and instructions for the proper use and installation of this product. Please read this guide carefully to ensure safe and effective use of your rifle rods.

## General Safety Guidelines

- Always handle firearms with care and in accordance with local laws and regulations.
- Ensure that the rifle rods are used in a stable and secure environment to prevent accidental tipping or falling.
- Keep the product out of reach of children and unauthorized individuals.
- Regularly inspect the rifle rods for any signs of wear or damage. Do not use damaged rods.
- Store firearms in a manner that prevents unauthorized access and accidental discharge.
- Ensure that your gun safe, closet, or cabinet is appropriate for the weight and size of the firearms being stored.

## Specific Safety Precautions for Use

- When using rifle rods, ensure that each rifle is properly stabilized and secured in an upright position.
- Avoid overloading the rifle rods beyond their capacity, which may lead to instability.
- Use the provided loop fabric to line the bottom of the shelf, ensuring a secure fit for the rifle rods.
- Do not attempt to modify the rifle rods or the loop fabric as this may compromise safety and functionality.
- Always ensure that firearms are unloaded before placing them on the rifle rods.

## Instructions for Installation and Usage

### 1. Preparation

- Clear the area where you will be installing the rifle rods.
- Gather all components: rifle rods and loop fabric.

### 2. Installation

- Remove any existing storage racks from your gun safe, closet, or cabinet.
- Cut the loop fabric to fit the bottom of the shelf where the rifle rods will be placed.
- Secure the loop fabric to the bottom of the shelf to ensure stability.

### 3. Placement of Rifle Rods

- Insert the rifle rods into the loop fabric, ensuring they are evenly spaced.
- Place each firearm onto the rifle rods, ensuring they are properly stabilized in an upright position.

### 4. Final Checks

- Verify that all firearms are securely placed and that the rifle rods are stable.
- Close the gun safe, closet, or cabinet securely after use.

## **Disposal Instructions**

- Dispose of any damaged or unusable rifle rods in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling options for plastic materials.

## **Important Notice**

This product is designed for use with firearms of 22 caliber and larger. Ensure that you follow all safety guidelines to maintain a safe environment when using this product.

Please remember to regularly check for updates on safety guidelines and recall notices through the EU's Safety Gate platform. Your safety is our priority. Thank you for your attention to these important safety instructions.
