Shoot Smarter, Better, Faster

A must-have for the serious shooter, hunter, competitor, and law enforcement officer, Jerry Miculek Practical Rifle helps you get the most out of your rifle and build your shooting skills. Learn how to shoot your AR-15 smarter, better, and faster from one of the world's fastest, most knowledgeable, and "winningest" shooters, Jerry Miculek. Jerry's achievements include three-time Masters International Long Gun Champion, five world records, winner of 28 multi-gun championships, and 85 national and international handgun titles. He provides over two hours of expert one-on-one instruction that covers everything about shooting the AR-15, from how to set up your rifle like his, to the stance, grip, and trigger technique used by the pros. Plus, he'll take you through plenty of basic and advanced drills that'll improve your shooting. Learn how to reload and clear malfunctions quickly, move and acquire targets faster, engage multiple and moving targets, and shoot from behind cover and in different positions. Produced entirely at Brownells studios in partnership with Bang Inc., this three-DVD set is broken down into short, easy-to-follow segments, and features innovative camera angles, slow-motion footage, and animated illustrations so you can fully comprehend Jerry's winning techniques. Fast paced, entertaining and educational, the format is designed to be instructionally sound and logical.

Safety Instruction Guide for PRACTICAL RIFLE 3DVD SET

Introduction

Thank you for choosing the PRACTICAL RIFLE 3DVD SET. This instructional video series is designed to enhance your shooting skills and knowledge, particularly for the AR15 rifle. While the content is aimed at improving your proficiency, it is essential to follow safety guidelines to ensure a safe and enjoyable experience.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure your shooting environment is safe and free from unauthorized persons, especially children.
- Wear appropriate eye and ear protection when shooting.
- Familiarize yourself with the operation and safety features of your firearm before use.
- Follow all local laws and regulations regarding firearm ownership and use.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Before starting the instructional videos, ensure that your firearm is unloaded and stored safely.
- Do not attempt any drills or techniques shown in the videos without proper supervision and safety measures in place.
- Always have a qualified instructor present when practicing new techniques, especially if you are a beginner.
- Be aware of your surroundings and ensure that the area where you practice is suitable for shooting.
- Avoid distractions while handling firearms or practicing drills.
- Regularly check equipment for wear and tear to prevent malfunctions.
- If you encounter a malfunction, follow the proper clearing procedures as demonstrated in the videos.

Instructions for Installation and Usage

- Ensure that your DVD player is functioning correctly before inserting the DVDs.
- Insert the first DVD into your DVD player and follow the onscreen instructions to navigate through the content.
- Each DVD is divided into segments; take your time to watch and understand each segment before moving to the next.
- Practice the techniques shown in the videos in a safe environment, preferably under the guidance of a qualified instructor.
- Use the drills provided in the videos to improve your skills gradually, starting from basic to advanced techniques.
- Take breaks as needed to avoid fatigue during practice sessions.

Disposal Instructions

- Dispose of this product and its packaging in accordance with local regulations.
- Do not dispose of DVDs in regular household waste. Instead, recycle them where facilities exist.
- Ensure that any materials used in conjunction with the product are also disposed of safely and responsibly.
