# WOOD SHINE BLUE WONDER WOOD SHINE Safety Instruction Guide

## Introduction

Thank you for choosing WOOD SHINE BLUE WONDER WOOD SHINE. This product is designed to restore the original luster of your valuable wood items, such as stocks, handgun grips, gun cases, and presentation cases. This guide provides essential safety instructions to ensure the safe use of this product, in accordance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read the label and product information before use.
- Use the product only for its intended purpose.
- Keep out of reach of children and pets.
- Ensure good ventilation when using the product.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical advice immediately.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Dispose of empty containers and unused product responsibly.

## Specific Safety Precautions for Use

- Wear protective gloves to prevent skin irritation.
- Use safety goggles to protect your eyes from splashes.
- Do not smoke or use near open flames while applying the product.
- Test the product on a small, inconspicuous area of the wood before full application to ensure compatibility.
- Do not apply on surfaces that will be in contact with food or beverages.
- Ensure the wood surface is clean and free of dust or debris before application.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the wood surface with a suitable cleaner to remove any dirt or oils.
- Allow the surface to dry completely.

### 2. Application:

- Shake the squeeze bottle well before use.
- Apply a small amount of WOOD SHINE BLUE WONDER WOOD SHINE to a clean, soft cloth.
- Wipe the cloth over the wood surface in a circular motion, applying light pressure.
- For deeper penetration, allow the product to sit on the surface for a few minutes before wiping off.

### 3. Finishing:

- Use a clean, dry cloth to buff the surface to your desired shine.
- Repeat the process as necessary for optimal results.

### 4. PostApplication:

- Allow the treated surface to dry completely before use.

- Clean any excess product from tools and workspace.

## **Disposal Instructions**

- Dispose of empty containers in accordance with local waste disposal regulations.
- Do not incinerate or puncture the container.
- If there is any unused product, follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any safety inquiries, product information, or to report unsafe products, please contact your local regulatory authority or visit the EU's Safety Gate platform for updates on product recalls and safety alerts.

By following these guidelines, you can ensure a safe and effective experience while using WOOD SHINE BLUE WONDER WOOD SHINE. Thank you for your attention to safety!
