# Safety Instruction Guide for FIBER OPTIC FRONT SIGHTS for GLOCK® WARREN TACTICAL SERIES

## Introduction

Thank you for choosing the FIBER OPTIC FRONT SIGHTS for GLOCK® WARREN TACTICAL SERIES. These sights are designed to enhance your shooting experience by providing fast target acquisition. This guide provides essential safety information and instructions to ensure proper use and maintenance of the product. Please read this guide carefully to ensure your safety and the safety of others.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction when installing or adjusting the sights.
- Use the sights only on compatible GLOCK® models as specified.
- Keep the sights clean and free of obstructions for optimal performance.
- Store the sights in a safe place, away from children and unauthorized users.
- Regularly inspect the sights for signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure the firearm is unloaded before installation.
- Use appropriate tools to avoid damaging the sights or the firearm.

### • Usage Precautions:

- Do not attempt to modify the sights.
- Avoid using the sights in extreme weather conditions that may affect visibility.

### • Storage Precautions:

- Store the sights in a protective case when not in use.
- Avoid exposure to moisture and extreme temperatures.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a sight pusher or a punch and hammer.

#### 2. Removing the Old Sights:

- If applicable, carefully remove the existing front sight using a sight pusher or punch.
- Take care not to damage the dovetail or surrounding areas.

#### 3. Installing the New Fiber Optic Sights:

- Align the new fiber optic sight with the dovetail slot.
- Use the sight pusher or punch to gently tap the sight into place.
- Ensure it is securely fitted and does not move.

#### 4. Final Check:

- Verify that the sight is aligned properly and securely fastened.
- Perform a visual inspection before using the firearm.

## Usage

- **Target Acquisition:**

- Use the fiber optic sights in varying light conditions to familiarize yourself with their performance.
- Adjust your shooting stance and grip to optimize usage of the sights.

- **Maintenance:**

- Regularly clean the sights with a soft cloth to remove dirt and debris.
- Inspect the fiber optic rods for damage; replace if necessary.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond use, consider recycling materials where applicable.
- Do not dispose of in regular household waste.

## Contact Information for Further Support

For any inquiries regarding safety or usage of the FIBER OPTIC FRONT SIGHTS for GLOCK® WARREN TACTICAL SERIES, please reach out to the appropriate support channels available in your region.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new fiber optic sights. Thank you for your attention to these important guidelines.
