

# S&W M&P SEVIGNY FIBER OPTIC SIGHT SETS - WARREN TACTICAL SERIES SEVIGNY COMP-R, FIBER OPTIC, FITS PRO/L SERIES

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Used by numerous IDPA and USPSA National champions, as well as law enforcement professionals, these streamlined, steel sights are built for fast target acquisition. A variety of front and rear sight configurations, including fiber optics, self-illuminating Tritium inserts, and plain black, let you mix and match for carry, competition or tactical operations. Designed to fit factory dovetails with little to no fitting required. Tactical rear sight features a unique Wave Profile contour with concave corners for an extra wide field-of-view and smooth, no-snag removal from the holster. U-shaped notch has gently radiused corners to help direct the eye quickly to the front sight acquisition.

# Safety Instruction Guide for S&W M&P Sevigny Fiber Optic Sight Sets

## Introduction

Thank you for choosing the S&W M&P Sevigny Fiber Optic Sight Sets by Warren Tactical Series. This guide provides essential safety information and instructions to ensure the safe use and installation of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Product Safety: Ensure safe use of the sight sets as per the provided instructions.
- Enhanced Recalls: Stay informed about any recalls or safety notices related to your product.
- Online Shopping: If purchased online, verify that the seller complies with safety regulations.
- Special Consumer Focus: Extra caution is advised when used by individuals who may have limited experience with firearms.
- EU Contact Point: For any safety inquiries, refer to the manufacturer's contact details provided with your purchase.
- Rapid Alerts: Regularly check the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the sights.
- Do not attempt to modify the sights or the firearm in any way that is not recommended in this guide.
- Avoid using the sight sets in conditions that could impair visibility (e.g., heavy rain, fog).
- Use proper eye protection when handling firearms equipped with these sights.
- Ensure that the sights are securely attached before use to prevent accidents.
- Keep the sight sets out of reach of children and unauthorized users.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure you have the necessary tools for installation (e.g., screwdriver, sight pusher).
- Clean the area around the dovetail where the sight will be installed.

#### 2. Remove Existing Sights:

- If replacing existing sights, carefully remove them using appropriate tools.
- Be cautious not to damage the firearm during this process.

#### 3. Install New Sights:

- Align the new sight with the dovetail.
- Gently tap the sight into place using a sight pusher or appropriate tool, ensuring it is secure.
- Check alignment and adjust as necessary.

#### 4. Final Check:

- Ensure the sight is firmly in place and does not move.
- Verify that the sight picture is clear and aligned with the firearm's barrel.

## Usage

- When aiming, ensure that your eye is naturally drawn to the front sight for quick target acquisition.
- Practice with the new sights in a safe environment to become familiar with their use.
- Regularly check the condition of the sights for any signs of wear or damage.

## Disposal Instructions

- Dispose of the sight sets in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is securely packaged to prevent injury during disposal.
- Recycle materials where applicable.

## Contact Information for Further Support

For further assistance or inquiries regarding safety and product use, please refer to the contact information provided with your product packaging.

By following these guidelines, you can ensure safe and effective use of your S&W M&P Sevigny Fiber Optic Sight Sets. Thank you for prioritizing safety in your shooting experience.
