

# **S&W M&P TACTICAL NIGHT SIGHT SETS - WARREN TACTICAL SERIES TACTICAL TRITIUM 1-DOT-R, 1-DOT-F FITS FULL/COMPACT/SHIELD**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Used by numerous IDPA and USPSA National champions, as well as law enforcement professionals, these streamlined, steel sights are built for fast target acquisition. A variety of front and rear sight configurations, including fiber optics, self-illuminating Tritium inserts, and plain black, let you mix and match for carry, competition or tactical operations. Designed to fit factory dovetails with little to no fitting required. Tactical rear sight features a unique Wave Profile contour with concave corners for an extra wide field-of-view and smooth, no-snag removal from the holster. U-shaped notch has gently radiused corners to help direct the eye quickly to the front sight acquisition.

# S&W M&P Tactical Night Sight Sets Safety Instructions

## Introduction

Thank you for choosing the S&W M&P Tactical Night Sight Set from the Warren Tactical Series. This product is designed for enhanced target acquisition and is used by professionals in various fields, including law enforcement and competitive shooting. To ensure safe and effective use of this product, please follow the safety guidelines outlined in this manual.

## General Safety Guidelines

- Ensure that the product is installed correctly before use.
- Always handle firearms and related accessories with care and in a safe manner.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the sights.
- Be aware of your surroundings when using the firearm equipped with these sights.
- Do not attempt to modify or alter the sights in any way.
- If you experience any issues with the sights, discontinue use immediately and seek assistance.
- Use protective eyewear when shooting to prevent injury from debris or ricochets.
- Ensure that the sights are compatible with your specific model of firearm (M&P, Compact, Shield).

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** Use a sight pusher tool or appropriate method to remove the old sights, if applicable.
3. **Install New Sights:**
  - Align the new sights with the factory dovetails.
  - Gently press or tap the sights into place, ensuring they are secure.
4. **Check Alignment:** Verify that the sights are aligned correctly for accurate aiming.
5. **Secure the Sights:** If necessary, use a small amount of threadlocking adhesive to secure the sights in place.

### Usage

- Practice regularly to become proficient with the sights.
- Familiarize yourself with the sight picture and how to quickly acquire the front sight.
- Use the Ushaped notch and Wave Profile contour for optimal fieldofview and target acquisition.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the sights become damaged or are no longer usable, do not discard them in regular waste.

- Consider recycling options for metal components where available.
