

# SEVIGNY SERIES SIGHT SET for GLOCK® - WARREN TACTICAL SERIES SEVIGNY CARRY TRITIUM 1-DOT REAR, TRITIUM 1-DOT FRONT

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Used by numerous IDPA and USPSA National champions, as well as law enforcement professionals, these streamlined, steel sights are built for fast target acquisition. A variety of front and rear sight configurations, including fiber optics, self-illuminating Tritium inserts, and plain black, let you mix and match for carry, competition or tactical operations. Designed to fit factory dovetails with little to no fitting required. Ramped Rear Sights have a non-serrated face Drift-adjustable for windage, with a locking setscrew to hold the setting. Tactical rear sight features a unique Wave Profile contour with concave corners for an extra wide field-of-view and smooth, no-snag removal from the holster. U-shaped notch has gently radiused corners to help direct the eye quickly to the front sight acquisition.

# SEVIGNY SERIES SIGHT SET Safety Instructions

## Introduction

Thank you for choosing the SEVIGNY SERIES SIGHT SET for GLOCK® by WARREN TACTICAL SERIES. This product is designed for enhanced accuracy and fast target acquisition. To ensure safe use and optimal performance, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- **Product Safety:** Ensure the sight set is installed and used according to the provided instructions to avoid accidents or injuries.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Check regularly for updates.
- **Online Shopping:** When purchasing online, ensure that you are buying from reputable retailers that comply with EU safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

## Specific Safety Precautions for Use

- **Proper Use:** This sight set is designed for use with GLOCK® handguns. Ensure compatibility before installation.
- **Installation:** Follow the installation instructions carefully to avoid misalignment or other hazards.
- **Regular Inspection:** Periodically check the sight for any signs of wear or damage. Replace if necessary.
- **Avoid Modifications:** Do not attempt to modify the sight set. Unauthorized changes can compromise safety and performance.
- **Safe Handling:** Always handle firearms with care. Ensure the firearm is unloaded when installing or adjusting sights.
- **Use Protective Gear:** When using firearms, wear appropriate safety gear, including eye and ear protection.

## Instructions for Installation and Usage

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver, and any specific tools recommended by the manufacturer.
2. **Unload Firearm:** Before installation, confirm that the firearm is unloaded and pointed in a safe direction.
3. **Remove Existing Sights:** If applicable, carefully remove the existing sights from the firearm using appropriate tools.
4. **Install Rear Sight:**
  - Align the rear sight with the dovetail on the firearm.
  - Use the locking setscrew to secure the sight in place.
5. **Install Front Sight:**
  - Align the front sight with the dovetail on the firearm.
  - Ensure it is secure and properly aligned for accurate aiming.
6. **Adjustment:**
  - Use the driftadjustable feature of the rear sight for windage adjustments.
  - Test the sight alignment at a safe shooting range.
7. **Final Inspection:** After installation, doublecheck that all screws are tightened and that the sights are securely in place.

## Disposal Instructions

- **Disposal of Product:** When the sight set is no longer in use, dispose of it in accordance with local regulations. Consider recycling if possible.
- **Environmental Considerations:** Do not dispose of the product in household waste. Check for designated disposal facilities for electronic or metal components.

## Contact Information for Further Support

For further assistance or inquiries regarding the SEVIGNY SERIES SIGHT SET, please refer to the contact information provided by the manufacturer. Ensure you have the product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and effective experience with your SEVIGNY SERIES SIGHT SET for GLOCK®. Thank you for your attention to safety.
