

S&W M&P TACTICAL NIGHT SIGHT SETS - WARREN TACTICAL SERIES TACTICAL TRITIUM 2-DOT-R, TRITIUM 1-DOT-F, FITS PRO/L SERIES

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Used by numerous IDPA and USPSA National champions, as well as law enforcement professionals, these streamlined, steel sights are built for fast target acquisition. A variety of front and rear sight configurations, including fiber optics, self-illuminating Tritium inserts, and plain black, let you mix and match for carry, competition or tactical operations. Designed to fit factory dovetails with little to no fitting required. Tactical rear sight features a unique Wave Profile contour with concave corners for an extra wide field-of-view and smooth, no-snag removal from the holster. U-shaped notch has gently radiused corners to help direct the eye quickly to the front sight acquisition.

S&W M&P Tactical Night Sight Sets

Safety Instruction Guide

Introduction

Thank you for choosing the S&W M&P Tactical Night Sight Sets from the Warren Tactical Series. This guide provides important safety information and instructions for the proper use and maintenance of your sight sets. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- **Product Safety:** Ensure that your sights are installed correctly and used as intended to avoid accidents.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to your product. Regularly check for updates.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety standards.
- **Special Consumer Focus:** Keep these sights out of reach of children and ensure they are used only by responsible adults.
- **EU Contact Point:** For safety inquiries, please refer to the appropriate EU contact point.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

Specific Safety Precautions for Use

- **Installation:** Only use sights that fit your specific firearm model. Improper installation can lead to accidents.
- **Usage:** Always ensure your firearm is unloaded when installing or adjusting sights.
- **Maintenance:** Regularly inspect your sights for wear or damage. Replace if necessary.
- **Storage:** Store your firearm with the sights in a secure location, ensuring they are not accessible to unauthorized persons.
- **Training:** Familiarize yourself with the operation of your firearm and sights. Seek professional training if needed.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights using appropriate tools.
- Align the new sights with the factory dovetails.
- Securely fasten the sights, ensuring they are properly aligned for optimal accuracy.
- Check for any movement or looseness before use.

2. Usage:

- Practice acquiring targets in various lighting conditions to become accustomed to the Tritium inserts.
- Use the sights only in conjunction with the firearm they are designed for.
- Maintain proper grip and stance when aiming to enhance accuracy.

3. Maintenance:

- Clean the sights regularly with a soft cloth to remove dirt and debris.
- Inspect Tritium inserts for any signs of damage or fading.
- If any issues are detected, contact a professional for assistance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the safety or usage of your product, please refer to the appropriate contact resources available in your region.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
