

# AR-15/M16 RAIL MOUNT SLING LOOP - BLUE FORCE GEAR RAIL MOUNT SLING LOOP

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## Versatile, Low-Profile Forward Sling Mount

Low-profile sling loop clamps to Picatinny handguard rail and provides a secure, versatile forward mounting point for a 1" sling. Precision machined from billet aluminum with rounded edges to prevent snagging on other gear. Fixed, non-pivoting design prevents rattles and unwanted sling shifting.

# Safety Instruction Guide for AR15/M16 Rail Mount Sling Loop

## Introduction

Thank you for choosing the AR15/M16 Rail Mount Sling Loop by Blue Force Gear. This product is designed to provide a secure and versatile mounting point for your sling. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the sling loop is securely attached to the Picatinny handguard rail before use.
- Regularly inspect the sling loop for any signs of wear, damage, or corrosion.
- Keep the product away from children and vulnerable individuals to avoid accidents.
- Do not exceed the recommended weight limit of the sling and attachments.
- Follow all local laws and regulations regarding the use of tactical gear.

## Specific Safety Precautions for Use

- Ensure that the sling loop is only used with a 1" sling to avoid incompatibility issues.
- Avoid using the sling loop in extreme conditions that may compromise its integrity (e.g., extreme heat, cold, or moisture).
- Do not modify the sling loop in any way, as this may affect its performance and safety.
- Be cautious of potential snagging on other gear when using the sling loop, especially in dynamic environments.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the Picatinny handguard rail on your firearm.
- Align the sling loop with the desired mounting position on the rail.
- Securely clamp the sling loop onto the rail using the provided hardware.
- Ensure the crossbolt is tightened to prevent any movement or rattling.

### 2. Usage:

- Attach your 1" sling to the sling loop.
- Adjust the sling to your desired length and ensure it is properly secured.
- Before use, perform a safety check to ensure that the sling loop and sling are functioning correctly.

## Disposal Instructions

- Dispose of the sling loop in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the product in regular household waste. Check for local recycling programs that accept aluminum and steel materials.

## Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact the designated EU-based contact point for Blue Force Gear. Ensure you have your product details ready for a more efficient response.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure the safe and effective use of the AR15/M16 Rail Mount Sling Loop. Regular maintenance and adherence to safety precautions will enhance your experience with this product. Thank you for your attention to these important safety instructions.
