SWITCHVIEW STANDARD THROW LEVERS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Switchview Standard Throw Levers, Model 1360SV2. This guide provides important safety instructions and usage information to ensure the safe operation of your product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the throw lever by following the instructions provided. This product is designed for nonfood use and complies with the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Please stay informed about recalls that may affect your product.
- **Online Shopping:** If you purchased this product online, you have the same safety protections as you would in a physical store. Ensure that the online platform complies with safety requirements.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups, including children. Keep the product out of reach of young children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Stay updated on unsafe products through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Clearance Requirement:** Ensure that there is a minimum clearance of .225 inches between the scope body and the nearest object for proper operation of the throw lever.
- **Proper Fit:** Verify that the throw lever is compatible with your scope model. This lever is designed to fit various models including Simmons AETEC, Leupold VX3, Weaver Grand Slam, Leupold Mark IV, Mueller APV, and Thompson Center Encore.
- **Inspection Before Use:** Always inspect the throw lever for any signs of damage before installation. Do not use if damaged.
- **Installation Caution:** Follow the installation instructions carefully to avoid any potential hazards during use.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure that the scope is securely mounted on your firearm.
- Align the throw lever with the scope's index nub (if present).
- Gently slide the throw lever onto the scope until it is securely fitted.
- Verify that the lever operates smoothly without obstruction.

2. Usage Instructions:

- To operate the throw lever, simply push or pull the lever as needed to adjust the scope settings.
- Always ensure that your hands are clear of the lever's path during operation to avoid injury.
- After use, check the lever for any signs of wear or damage.

Disposal Instructions

- Dispose of the throw lever in accordance with local regulations.
- If the product is no longer functional, consider recycling it where possible to minimize environmental impact.

Contact Information for Further Support

For additional support or inquiries regarding safety, please refer to the designated contact point in your region.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy using your Switchview Standard Throw Levers responsibly!
