Safety Instruction Guide for REMINGTON 700 ADL Aluminum Triggerguard Silver

Introduction

Thank you for choosing the REMINGTON 700 ADL Aluminum Triggerguard in Silver. This product is designed to enhance the durability and aesthetics of your firearm while ensuring safe usage. This guide provides essential safety instructions and information to help you use the product correctly and safely.

General Safety Guidelines

To ensure the safe use of the REMINGTON 700 ADL Aluminum Triggerguard, please follow these general safety guidelines:

- Always handle firearms with care and in accordance with local laws and regulations.
- Ensure that the firearm is unloaded before installation or maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the triggerguard for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

When using the REMINGTON 700 ADL Aluminum Triggerguard, adhere to the following specific safety precautions:

- Do not use the triggerguard if it shows signs of damage or wear.
- Ensure that the triggerguard is securely installed before using the firearm.
- Avoid exposing the triggerguard to extreme temperatures or harsh chemicals.
- Do not attempt to modify the triggerguard in any way, as this may compromise safety.
- Always follow the manufacturer's instructions for use and maintenance.

Instructions for Installation and Usage

Follow these stepbystep instructions for the proper installation and usage of the REMINGTON 700 ADL Aluminum Triggerguard:

1. Preparation:

- Ensure that your firearm is unloaded.
- Gather necessary tools for installation, typically including a screwdriver.

2. Removal of Old Triggerguard:

- Locate the screws securing the original triggerguard.
- Carefully remove the screws and take out the old triggerguard.

3. Installation of New Triggerguard:

- Align the new REMINGTON 700 ADL Aluminum Triggerguard with the mounting holes.
- Insert the screws and tighten them securely, ensuring that the triggerguard is firmly in place.

4. Final Check:

- Inspect the installation to confirm that the triggerguard is securely attached and does not move.

- Test the firearm to ensure proper functionality without obstruction.

5. Usage:

- Use the firearm as intended, following all safety protocols and guidelines.
- Regularly check the triggerguard for any signs of looseness or damage during maintenance.

Disposal Instructions

When disposing of the REMINGTON 700 ADL Aluminum Triggerguard, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for aluminum and firearm accessories.
- Consider recycling the aluminum material if possible.

Contact Information for Further Support

For any questions or concerns regarding the REMINGTON 700 ADL Aluminum Triggerguard, please refer to the manufacturer's contact information provided with your purchase. Ensure you have the product details ready for a more efficient response.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your REMINGTON 700 ADL Aluminum Triggerguard. Thank you for prioritizing safety in your firearm handling and maintenance.
