

RUGER® 10/22® ACCESSORY BAND - SUPERIOR CONCEPTS 3-RAIL MOUNT ACCESSORY BAND

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Accessory Mounts](#)

Easy Installation, Provides Mounting For Lights, Lasers & Slings

Barrel band with integral Picatinny-style rails is perfect for mounting flashlights, lasers, slings, and other essential accessories without modifying the stock. Features a 2-slot bottom rail and horizontal single slot rail for additional accessories. Low profile top provides clearance for backup iron sights. One-piece design replaces factory original; clamps tight with included Allen head cross-bolt for a solid, no-slip fit. 3-Rail Mount Accessory Band - Reinforced nylon composite barrel band with integral Picatinny rails. Features a two-slot bottom rail and two, single-slot side rails for additional accessories. One-piece design replaces factory original; clamps tight with included Allen head cross-bolt. Includes Allen wrench.

RUGER® 10/22® Accessory Band Safety Instructions

Introduction

Thank you for purchasing the RUGER® 10/22® Accessory Band by Superior Concepts. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure a safe and effective experience with your product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the accessory band is compatible with your RUGER® 10/22® model before installation.
- Always inspect the accessory band for any damage or wear before each use.
- Use only the specified components and tools included with the accessory band during installation.
- Store the accessory band in a cool, dry place when not in use to prevent damage.
- Keep the accessory band out of reach of children and pets to prevent accidents.
- Report any unsafe product incidents or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid using the accessory band if it shows signs of damage, such as cracks or deformation.
- Do not exceed the weight limit of the mounted accessories; refer to the accessory specifications for guidance.
- Ensure that all mounted accessories are securely attached to prevent them from falling off during use.
- Always follow the manufacturer's instructions for any accessories mounted on the band.
- When using the accessory band, ensure that it does not obstruct your line of sight or access to controls on your firearm.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the Allen wrench provided with the accessory band.
- Ensure that your firearm is unloaded and in a safe condition before beginning installation.

2. Installation:

- Remove the factory barrel band from your RUGER® 10/22® by loosening the screws and carefully taking it off the barrel.
- Align the new accessory band with the barrel, ensuring that the twoslot bottom rail is facing downwards.
- Slide the accessory band into position, ensuring a snug fit against the barrel.
- Use the included Allen head crossbolt to clamp the accessory band tightly in place. Ensure it is secure to prevent movement during use.

3. Usage:

- Attach any desired accessories to the Picatinnystyle rails on the accessory band.
- Check that all accessories are properly secured before using the firearm.
- When finished, remove any accessories if not needed for storage.

Disposal Instructions

- Dispose of the accessory band in accordance with local regulations.
- If the accessory band is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of the accessory band in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the RUGER® 10/22® Accessory Band, please refer to the manufacturer's website or contact their customer service department for assistance.

Thank you for choosing the RUGER® 10/22® Accessory Band. Your safety and satisfaction are our top priorities.
