

# DETACHABLE SIDE AMMO CARRIER - VANG COMP SYSTEMS REM 870/1100/11-87 DSAC

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

## Receiver-Mounted Carrier Puts 6 Additional Shells At Your Fingertips

Lightweight shell carrier puts six additional shots within easy reach for fast reloads. The DSAC (Detachable Side Ammo Carrier) features an aluminum backing plate that secures to the receiver with the included replacement trigger pins and features. A hook-and-loop attachment system enables fast installation and removal of the separate shell carrier. Elastic webbing holds shells tight even when wet. Cut-out in mounting plate allows viewing of receiver serial number. Model available for Remington 870/1100/11-87; 12 gauge only. Deluxe models come with two shell carriers; additional shell carriers available separately.

# Safety Instruction Guide for Detachable Side Ammo Carrier (DSAC)

## Introduction

Thank you for purchasing the Detachable Side Ammo Carrier (DSAC) by VANG COMP SYSTEMS. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before using the DSAC to understand the safety guidelines, installation procedures, and usage instructions.

## General Safety Guidelines

- Always handle the DSAC with care to prevent accidents and injuries.
- Ensure that the DSAC is compatible with your firearm model (Remington 870/1100/1187) and only use it with 12 gauge ammunition.
- Keep the DSAC out of reach of children and unauthorized users.
- Regularly inspect the DSAC for any signs of wear or damage before each use.
- Do not modify the DSAC in any way, as this could compromise its safety and performance.
- Follow all local laws and regulations regarding the use of ammunition carriers and firearms.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the DSAC.
- Do not attempt to load or unload ammunition while the DSAC is attached to the firearm.
- Be aware of your surroundings and ensure that you are in a safe environment when using the DSAC.
- Do not exceed the stated capacity of the DSAC (6 rounds).
- If you experience any issues with the DSAC, cease use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Locate the Trigger Pins:** Identify the replacement trigger pins included with your DSAC.
3. **Attach the Backing Plate:**
  - Align the aluminum backing plate of the DSAC with the receiver of your firearm.
  - Insert the replacement trigger pins through the backing plate and into the receiver to secure it in place.
4. **Secure the Shell Carrier:** Use the hookandloop attachment system to fasten the shell carrier to the backing plate.

### Usage

- **Loading Ammunition:**
  - Load the shells into the elastic webbing of the shell holder, ensuring they are held securely.
- **Removing the Shell Carrier:**
  - To detach the shell carrier, simply release the hookandloop attachment and remove it from the backing plate.
- **Viewing Serial Number:** Use the cutout in the mounting plate to view the receiver serial number without removing the DSAC.

## **Disposal Instructions**

- Dispose of the DSAC in accordance with local regulations.
- Do not throw the DSAC in regular household waste. Check for recycling options for metal and plastic components.
- If the DSAC is damaged or no longer functional, consider contacting a local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the DSAC, please refer to the product packaging or visit the manufacturer's website for more information and support resources.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following these safety instructions, you can ensure a safe and enjoyable experience with your Detachable Side Ammo Carrier. Thank you for choosing VANG COMP SYSTEMS.
