

SEMI-AUTO PISTOL BABY UPLULA MAGAZINE LOADER - MAGLULA LTD. BABY UPLULA PISTOL MAGAZINE LOADER

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Magazine Speedloaders](#)

Loads Pistol Magazines Fast, Protects Fingers & Thumbs

Hand-held loader fills pistol magazines quickly and easily, so you spend less range time loading mags and more of it shooting. Smooth, positive operation protects fingers and thumbs while you load hundreds of rounds painlessly—as fast as one round per second. Also lengthens magazine life by reducing wear and tear on feed lips. Hold the magazine upright with the bottom resting on a solid surface. Place the loader over the top of the mag, press down lightly while squeezing the lever to depress the follower, drop in a round, and work the lever quickly to push it into the mag. Repeat the process until the magazine is full. Constructed from tough, reinforced, black polymer. Locks closed when not in use, so it takes up minimal space in pocket or range bag. Baby UpLula fits smaller single-stack pistol magazines, including most .22 LR, .25 ACP, .32 ACP, and .380 ACP. Does NOT fit Ruger® Mark I/II/III or 22/45™, S&W 22A/22S, Walther P22, Colt ACE, Glock 42, Ruger LCP .380, or Sig P290 .380.

Safety Instructions for the SEMIAUTO PISTOL BABY UPLULA MAGAZINE LOADER

Introduction

Thank you for purchasing the SEMIAUTO PISTOL BABY UPLULA MAGAZINE LOADER by MAGLULA LTD. This product is designed to assist you in loading pistol magazines quickly and efficiently. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the loader before use to ensure it is functioning correctly.
- Keep the loader out of reach of children and vulnerable individuals.
- Use the loader only for its intended purpose, which is to load compatible pistol magazines.
- Avoid using excessive force when operating the loader to prevent injury or damage.
- Do not modify the loader in any way, as this could compromise safety and functionality.
- Always handle firearms safely and in accordance with local laws and regulations.

Specific Safety Precautions for Use

- Ensure that the magazine is empty before using the loader.
- Always point the firearm in a safe direction when loading.
- Keep fingers and hands clear of the magazine's feed lips while loading.
- Do not load the magazine with live ammunition when using the loader in a nonshooting environment.
- Use the loader on a stable surface to prevent slipping or accidents.
- If the loader becomes damaged or does not function properly, discontinue use immediately.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have a compatible magazine and the Baby UpLula loader.
- Place the magazine upright with the bottom resting on a solid surface.

2. Loading Process:

- Position the loader over the top of the magazine.
- Press down lightly on the loader while squeezing the lever to depress the follower.
- Drop a round into the magazine.
- Quickly work the lever to push the round into the magazine.
- Repeat this process until the magazine is full.

3. Storage:

- After use, lock the loader closed to minimize space in your pocket or range bag.
- Store the loader in a cool, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the loader in accordance with local regulations regarding plastic products.
- Do not dispose of the loader in fire as it may release harmful fumes.
- If the loader is damaged beyond repair, ensure it is disposed of safely to prevent injury.

Contact Information for Further Support

For any questions or concerns regarding the SEMIAUTO PISTOL BABY UPLULA MAGAZINE LOADER, please contact your local distributor or visit the manufacturer's website for more information.

Thank you for choosing the SEMIAUTO PISTOL BABY UPLULA MAGAZINE LOADER. By following these safety instructions, you can ensure a safe and enjoyable experience while using this product.
