

M14/M1A PICATINNY SCOPE MOUNT - FULTON ARMORY M14/M1A SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Secure, Stable, No-Gunsmithing Scope Attachment

One piece, steel mount provides a secure, stable scope base that won't shift between shots. Rock-solid, three-point mounting system attaches to the factory scope mount screw hole in the receiver and the charger guide dovetail, while the setscrew at the front uses the receiver ring as a stop to prevent forward movement. No drilling or tapping required; mounting hardware included. Machined from the same type of steel as the M14 receiver, so mount and receiver expand at the same rate as the gun heats up to help keep your optic zeroed during prolonged fire. Thirteen MIL-STD 1913 Picatinny cross-slots offer plenty of versatility in setting eye relief. Sight channel allows use of iron sights without removing the scope. Cutout above ejection port helps prevent case hangups.

Attributes

- Name: [FULTON ARMORY M14/M1A SCOPE MOUNT](#)
- Manufacturer: [FULTON ARMORY](#)
- Product no.: 100005275
- Mfr. No.: A315M
- Colour: Matte Black
- Material: Steel
- Model: M14,M1A
- Number of Bases: 1-Piece
- Style: Tactical Bases
- Weapon type: Springfield
- Delivery weight: 0.34kg

M14/M1A Picatinny Scope Mount Safety Instructions

Introduction

Thank you for choosing the M14/M1A Picatinny Scope Mount by Fulton Armory. This safety instruction guide provides essential information to ensure the safe and effective use of your scope mount. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the scope mount is compatible with your firearm model (M14 or M1A).
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Inspect the scope mount and all mounting hardware for damage before installation.
- Keep the scope mount and all accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only the mounting hardware provided with the scope mount.
- Do not modify the scope mount in any way, as this may compromise its safety and functionality.
- Ensure that the scope is properly secured and aligned before use.
- Avoid using the firearm in adverse weather conditions that may affect the performance of the scope mount.
- Do not exceed the manufacturer's recommended weight limit for scopes mounted on the mount.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and the provided mounting hardware.
- Ensure that your firearm is unloaded and pointed in a safe direction.

2. Installation:

- Locate the factory scope mount screw hole in the receiver and the charger guide dovetail.
- Place the scope mount over the receiver, aligning it with the screw hole and dovetail.
- Secure the mount using the provided screws, ensuring a tight fit without overtightening.
- Use the setscrew at the front of the mount to secure it against the receiver ring, preventing forward movement.
- Confirm that the mount is stable and secure before proceeding.

3. Usage:

- Once installed, mount your scope onto the Picatinny crossslots.
- Adjust the eye relief to your comfort, utilizing the thirteen MILSTD 1913 Picatinny crossslots as needed.
- Ensure that the sight channel is clear for use of iron sights if necessary.
- Test the stability of the mount and scope before firing.

4. PostUse:

- After use, inspect the scope mount for any signs of wear or damage.
- Clean the mount as necessary to maintain its condition.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the scope mount becomes damaged or is no longer in use, follow local guidelines for the disposal of metal components.

Contact Information for Further Support

For any inquiries or concerns regarding the M14/M1A Picatinny Scope Mount, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

By adhering to these safety instructions, you can ensure a safe and effective experience with your M14/M1A Picatinny Scope Mount. Thank you for your attention to safety.
