## Simple One-Hand Operation Changes From Use To Carry

The VTAC Sling is instantly adjustable, allowing you to adjust shooting positions with ease. You can easily move from strong side shoulder to weak side shoulder or secure your carbine during handgun transition. Unlike other slings on the market, the Viking Tactics Sling isn't just a carrying strap. Its full range of adjustability will enhance retention for when you need your hands free. It is also one of the only tactical slings that can be used as an adjustable shooting sling.

# VTAC ORIGINAL SLING VIKING TACTICS VTAC SLING Safety Instructions

## Introduction

Thank you for choosing the VTAC ORIGINAL SLING VIKING TACTICS VTAC SLING, O.D. GREEN. This safety instruction guide is designed to ensure the safe and effective use of your sling, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully and keep it for future reference.

## General Safety Guidelines

- Ensure that the sling is used only for its intended purpose as a tactical sling.
- Regularly inspect the sling for wear and tear, including frayed material or broken components.
- Keep the sling out of reach of children and vulnerable individuals to prevent accidents.
- Do not exceed the recommended load limits when using the sling with your firearm.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the sling.
- When transitioning between shooting positions, maintain a secure grip on your firearm to prevent accidental discharge.
- Avoid using the sling in wet or slippery conditions that may affect your grip or control.
- Do not use the sling as a lifeline or for any purpose other than securing your firearm.
- Ensure that the sling is properly adjusted to fit your body and equipment before use to prevent slippage.

## Instructions for Installation and Usage

### 1. Installation

- Unpack the VTAC Sling and inspect for any visible damage.
- Identify the attachment points on your firearm where the sling will be secured.
- Attach the sling to the designated points, ensuring that it is securely fastened.
- Adjust the length of the sling to fit your preferred shooting position.

### 2. Usage

- To adjust the sling, pull on the adjustment strap to achieve the desired length.
- Transition from one shoulder to another by loosening the sling and repositioning it as needed.
- If using the sling in a tactical setting, ensure that it is adjusted to allow for quick access to your firearm.
- Always practice safe handling procedures when using your firearm with the sling attached.

## Disposal Instructions

- Dispose of the sling responsibly at the end of its life cycle.
- Follow local regulations for the disposal of textile materials.
- If the sling is damaged beyond repair, consider recycling the materials where possible.
