

V-TAC ORIGINAL SLING - VIKING TACTICS V-TAC SLING, FOLIAGE GREEN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

Simple One-Hand Operation Changes From Use To Carry

The VTAC Sling is instantly adjustable, allowing you to adjust shooting positions with ease. You can easily move from strong side shoulder to weak side shoulder or secure your carbine during handgun transition. Unlike other slings on the market, the Viking Tactics Sling isn't just a carrying strap. Its full range of adjustability will enhance retention for when you need your hands free. It is also one of the only tactical slings that can be used as an adjustable shooting sling.

VTAC ORIGINAL SLING VIKING TACTICS VTAC SLING Safety Instruction Guide

Introduction

Thank you for choosing the VTAC ORIGINAL SLING VIKING TACTICS VTAC SLING in Foliage Green. This safety instruction guide is designed to ensure the safe and effective use of your sling. Please read this guide carefully before use to avoid any potential hazards and to ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the sling is used only for its intended purpose as a tactical shooting sling.
- Regularly inspect the sling for any signs of wear or damage before each use.
- Always keep the sling out of reach of children when not in use.
- Follow all local laws and regulations regarding the use of tactical equipment.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit of the sling. Ensure that your equipment is securely attached.
- Avoid using the sling in extreme weather conditions that may affect its performance.
- Always ensure the sling is properly adjusted to fit securely before use.
- Be cautious when transitioning from one shoulder to another to prevent accidental discharges.
- Do not use the sling as a safety harness or for any purpose other than its intended use.

Instructions for Installation and Usage

1. Installation:

- Identify the attachment points on your firearm where the sling will be secured.
- Attach the sling clips to the designated points, ensuring they are securely fastened.
- Adjust the sling length to fit your body comfortably.

2. Usage:

- When adjusting the sling, ensure it is at a length that allows for quick transitions between shooting positions.
- To switch from strong side shoulder to weak side shoulder, simply pull the adjustment tab to loosen the sling, reposition it, and retighten.
- For handgun transitions, secure your carbine in a safe position before moving to your handgun.

Disposal Instructions

- Dispose of the sling in accordance with local regulations for textile waste.
- If the sling is damaged, do not attempt to repair it; dispose of it safely to prevent misuse.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer or retailer from whom you purchased the sling. Ensure to have the product details ready for efficient assistance.

Thank you for prioritizing safety and compliance while using the VTAC ORIGINAL SLING VIKING TACTICS VTAC
