

# V-TAC PADDED SLINGS - VIKING TACTICS PADDED V-TAC SLING, COYOTE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The Viking Tactics Padded Sling was designed with the same great features as the original Viking Tactics Sling, but with added comfort for carrying heavier firearms. Designed with the shooter and soldier in mind, the Viking Tactics Padded Sling is made with a shoulder strap with closed cell foam. The forward adjustable portion of the sling remains the same as the original sling, giving you quick and easy adjustments from any position.

# VTAC Padded Slings Safety Instruction Guide

## Introduction

Thank you for choosing the VTAC Padded Sling by Viking Tactics. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sling. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the sling is suitable for your firearm and meets your specific needs.
- Regularly inspect the sling for any signs of wear or damage before each use.
- Use the sling only for its intended purpose and in accordance with the manufacturer's instructions.
- Keep the sling out of reach of children and vulnerable individuals when not in use.
- Report any unsafe conditions or product defects to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the sling.
- When using the sling, maintain a proper grip on the firearm at all times.
- Avoid using the sling in wet or slippery conditions, as this may affect your grip and control.
- Be aware of your surroundings and ensure there are no obstructions when using the sling.
- Do not exceed the recommended weight limit of the sling to prevent potential failure.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the attaching ends of the sling.
- Securely attach one end of the sling to the front sling swivel of your firearm.
- Attach the other end of the sling to the rear sling swivel.
- Ensure that both ends are firmly secured and that the sling is properly adjusted to your desired length.

### 2. Adjustment:

- To adjust the length of the sling, slide the metal slider to the desired position.
- Ensure that the adjustment is secure before using the sling.

### 3. Usage:

- When using the sling, place it over your shoulder and adjust it for comfort.
- Keep the firearm in a safe position and ensure it is pointed in a safe direction at all times.
- Use the sling to stabilize your aim while shooting, if applicable.

## Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product.

By following these safety guidelines, you can ensure a safer experience when using the VTAC Padded Sling. Thank you for your attention to safety.
