

V-TAC PADDED SLINGS - VIKING TACTICS PADDED V-TAC SLING, O.D. GREEN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The Viking Tactics Padded Sling was designed with the same great features as the original Viking Tactics Sling, but with added comfort for carrying heavier firearms. Designed with the shooter and soldier in mind, the Viking Tactics Padded Sling is made with a shoulder strap with closed cell foam. The forward adjustable portion of the sling remains the same as the original sling, giving you quick and easy adjustments from any position.

Safety Instruction Guide for VTAC Padded Slings

Introduction

Thank you for choosing the VTAC Padded Sling by Viking Tactics. This safety instruction guide provides essential information to ensure the safe and effective use of your sling. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the sling is used only for its intended purpose.
- Regularly inspect the sling for any signs of wear or damage before each use.
- Keep the sling out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Adjustments:** Always adjust the sling to fit your body size and the firearm securely. Ensure that the adjustments do not hinder your movement.
- **Weight Limitations:** Be aware of the weight of the firearm you are carrying. The sling is designed for heavier firearms, but always use caution.
- **Secure Attachment:** Ensure that the sling is securely attached to the firearm before use. Check the plastic triglides and metal slider for proper locking.
- **Avoid Entanglement:** Keep the sling clear of any moving parts or mechanisms of the firearm to avoid entanglement during use.
- **Training:** Familiarize yourself with the operation of the sling and practice using it in a safe environment before engaging in active use.

Instructions for Installation and Usage

1. Installation:

- Locate the attachment points on your firearm.
- Use the plastic triglides to attach the sling securely to these points.
- Ensure that the metal slider is positioned correctly to allow for easy adjustments.

2. Usage:

- Place the padded shoulder strap over your shoulder.
- Adjust the sling to your desired length by sliding the metal slider.
- Test the adjustments by moving around to ensure the sling is comfortable and secure.
- When carrying the firearm, ensure it is pointed in a safe direction at all times.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- Do not dispose of the sling in regular household waste if it is damaged or worn.
- Consider recycling options for nylon materials where available.

Contact Information for Further Support

For any questions regarding safety or product issues, please refer to the contact information provided with your

product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your VTAC Padded Sling responsibly!
