

# AR-15 EXO BARREL EXTENSION STEEL NICKEL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrel Hardware](#) > [Barrel Extension Parts](#)

## Self-Lubricating Surface Promotes Smooth, Consistent Feeding

M4-type barrel extension has a self-lubricating EXO-treated Nickel Boron finish that aids in smooth, consistent feeding and helps prevent hang-ups. High-tech coating lasts the life of the weapon, and won't rub off, flake off, or gall. Helps dissipate heat for cooler operation, too. Precision machined from 8620 steel to USGI specifications with integral M4-type feed ramps and predrilled locator pin hole.

## Attributes

- Name: [AR-15 EXO BARREL EXTENSION STEEL NICKEL](#)
- Manufacturer: [FAILZERO](#)
- Product no.: 100005443
- Mfr. No.: EXO-BRL EXT-01
- Color: Nickel
- Make: AR-15
- Material: Steel
- Delivery weight: 0.045kg
- Shipping height: 8mm
- Shipping width: 56mm
- Shipping length: 107mm
- UPC: 094922014276

## Item details

Made in USA

US export classification: 0A501.c

# AR15 EXO Barrel Extension Safety Instructions

## Introduction

Thank you for choosing the AR15 EXO Barrel Extension. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the barrel extension safely.

## General Safety Guidelines

- Ensure that the barrel extension is compatible with your AR15 model before installation.
- Always handle firearms with care and follow general firearm safety rules.
- Store the barrel extension in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the barrel extension for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with firearms that are specifically designed for M4type barrel extensions.
- Ensure that the firearm is unloaded before installing or handling the barrel extension.
- Avoid using excessive force during installation to prevent damage to the barrel extension or firearm.
- Do not attempt to modify the barrel extension in any way, as this may compromise safety and performance.
- Wear appropriate safety gear, including eye protection, when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your work area is clean and free of distractions.
- Gather necessary tools, including a torque wrench and appropriate sockets.

### 2. Installation Steps

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing barrel extension if applicable.
- Align the new AR15 EXO Barrel Extension with the barrel, ensuring that the integral M4type feed ramps are correctly positioned.
- Insert the barrel locator pin (available separately) into the predrilled locator pin hole.
- Tighten the barrel extension using a torque wrench to the manufacturer's specifications. Avoid overtightening.
- Inspect the installation to ensure that everything is secure and properly aligned.

### 3. Usage

- After installation, conduct a function check to ensure that the firearm operates smoothly.
- Regularly clean and maintain the barrel extension to ensure optimal performance.
- Monitor for any unusual noises or malfunctions during operation, and cease use immediately if any issues arise.

## **Disposal Instructions**

- Dispose of the barrel extension in accordance with local regulations regarding metal and firearm parts.
- Do not dispose of the barrel extension in regular household waste.
- Consider recycling the material if applicable.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the AR15 EXO Barrel Extension, please refer to the manufacturer's contact information provided with the product packaging or visit their official website.
