SHOTGUN SPEED BOLT HANDLE USER MANUAL

Introduction

Thank you for choosing the SHOTGUN SPEED BOLT HANDLE by Nordic Components. This product is designed to enhance the efficiency and usability of your shotgun, specifically compatible with Winchester and FN models. Please read this manual carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the firearm is unloaded before installing or using the Speed Bolt Handle.
- Always follow the manufacturer's instructions for your specific shotgun model.
- Keep the Speed Bolt Handle and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the Speed Bolt Handle for any signs of wear or damage. Replace if necessary.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Misfeeds and Ejections:** The Speed Bolt Handle is designed to assist in clearing misfeeds and ejecting chambered rounds quickly. Always practice safe handling when performing these actions.
- **Installation:** No gunsmithing is required, but ensure you follow the installation instructions closely to avoid improper fitting.
- **Compatibility:** Verify compatibility with your specific shotgun model (e.g., Winchester Super X2, FN SLP) before use.
- **Material Safety:** The Speed Bolt Handle is made from machined steel with a matte black finish. Handle with care to avoid injury from sharp edges.

Instructions for Installation and Usage

1. Preparation:

- Ensure your shotgun is completely unloaded.
- Gather necessary tools (if any) as per the specific model requirements.

2. Installation Steps:

- Remove the existing charging handle from your shotgun.
- Align the Speed Bolt Handle with the charging handle slot.
- Firmly press or twist the handle into place until securely fitted.
- Check for proper installation by gently pulling on the handle to ensure it is locked in place.

3. Usage:

- To clear a misfeed, pull the Speed Bolt Handle back fully and release.
- To eject a chambered round, pull the handle back and allow it to return to the forward position after ejection.
- Always maintain a firm grip on the Speed Bolt Handle for optimal control during operation.

Disposal Instructions

- Dispose of the Speed Bolt Handle in accordance with local regulations for metal waste.
- Do not dispose of the product in household waste. Check for recycling options in your area.
