

# AR-15/M16 LIMSAVER® CARBINE RECOIL PAD - LIMBSAVER CARBINE RECOIL PAD

[Home](#)

## Reduces Felt Recoil & Improves Weapon Control

Synthetic rubber recoil pad slips over the hard plastic buttplate on an M4-type adjustable carbine stock for secure, non-slip shouldering and as much as 70% reduction in felt recoil. Made from proprietary NAVCOM™ shock-absorbing material that won't crack, split, or take a "set." Spreads recoil over a larger area and prevents the stock from digging into your shoulder during long periods in the ready position. Improves weapon control and reduces muzzle jump to aid in fast, accurate follow-up shots. Secure snap-on design for quick installation and removal.

## Attributes

- Name: [LIMBSAVER CARBINE RECOIL PAD](#)
- Manufacturer: [LIMBSAVER](#)
- Product no.: 100005457
- Mfr. No.: 10019
- Color: Black
- Material: Synthetic
- Style: Slip-On
- Thickness: 5 1/4
- Delivery weight: 0.136kg
- Shipping height: 43mm
- Shipping width: 81mm
- Shipping length: 231mm
- UPC: 697438100190

# AR15/M16 LIMSAVER® Carbine Recoil Pad Safety Instruction Guide

## Introduction

Thank you for choosing the AR15/M16 LIMSAVER® Carbine Recoil Pad. This product is designed to enhance your shooting experience by providing comfort and reducing felt recoil. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle firearms responsibly and follow all local laws and regulations regarding firearm use.
- Ensure that the firearm is unloaded when installing or removing the recoil pad.
- Inspect the recoil pad regularly for signs of wear or damage. Do not use if damaged.
- Keep the recoil pad and firearm out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the recoil pad is securely attached to the buttplate before each use.
- Do not modify the recoil pad in any way, as this may compromise its safety features.
- Use the recoil pad only with M4type adjustable carbine stocks as specified.
- Be aware that the recoil pad adds .750 inch to the overall length of the stock, which may affect handling.
- Always maintain proper shooting stance and grip to prevent accidents.

## Instructions for Installation and Usage

### Installation Instructions

1. **Prepare the Area:** Ensure you are in a safe environment with no distractions.
2. **Check the Firearm:** Confirm that the firearm is unloaded. Remove any ammunition from the vicinity.
3. **Position the Recoil Pad:** Align the LIMSAVER® Carbine Recoil Pad over the hard plastic buttplate of the M4type adjustable carbine stock.
4. **Secure the Pad:** Firmly press the recoil pad into place until it snaps onto the buttplate. Ensure it is securely attached and does not move.
5. **Final Check:** Verify that the recoil pad is properly installed by gently tugging on it. It should remain in place without any movement.

### Usage Instructions

- When shouldering the firearm, ensure the recoil pad is positioned against your shoulder for optimal comfort and control.
- Maintain a proper grip on the firearm to enhance stability and accuracy.
- Practice shooting in a controlled environment to become familiar with the added length and feel of the recoil pad.

## Disposal Instructions

- Dispose of the recoil pad in accordance with local waste management regulations.
- Do not incinerate the recoil pad, as it is made from synthetic rubber and may release harmful emissions when burned.
- If the recoil pad is damaged beyond use, contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For additional support or inquiries regarding the AR15/M16 LIMSAVER® Carbine Recoil Pad, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety and enjoyment are our top priorities.
